FACTS: One Church, Knollwood and four Missions have been started in the past twelve months. The missions are: Union Cross sponsored by Waughtown, Fishel Road by Southside, Peace Haven by South Fork and Clemmons, Oak Ridge by Union Grove. All

of these need some financial support.

1. That the order of business not be printed in the Minutes, but that the clerk provide copies for the Program Committee as a guide for the following year.

OBSERVING HIM IN ASSOCIATIONAL MISSIONS

Lewis Ludlum reported on the new churches. He also read a paper on, "Baptist Working Together"

Rev. Lewis Ludlum, Associational Missionary, for his report presented three mimeographed sheets as follows:

One listed names and churches of 30 new pastors and other church staff members who have begun their service among us within the past year. Another listed sources of church membership for five of our new churches as follows: Easton, Konnoak, College Park, Knollwood, and Griffith. The study indicated that about 38% of members received were conversion and enlistment of Baptist people with church membership out of the county. The study further revealed that in each case the total Sunday School enrollment of the three nearest churches to each of these new churches had greatly increased—an average of 30% during the lifetime of the new church.

The other sheet charted the prospective population growth in Winston-Salem and Forsyth County from now until 1980. Winston-Salem from 108,000 to a probable population of 155,000 by 1980. Forsyth county from 171,000 to a probable population of 258,000 by 1980. The obvious implication of this growth is that many more Baptist Churches will be needed in the years immediately ahead.

He concluded his report with a brief address of "Baptist Working Together."

4. VISUAL AIDS COMMITTEE REPORT, Bill Adams

"Behold the lilies of the field;" "Behold the fowls of the air." Words similar to these were often on the lips of our Lord as He called upon people to use the gift of sight to learn the great truths of the kingdom. In obedience to His command to teach all nations, He expects us to use every profitable method for that teaching. It is a well-known fact that visual teaching is one of the most effective methods. Therefore, your Visual Aids Committee has sought to promote and improve this teaching method in our Association. To this end, we have urged the election of a visual aids director in each church, the purchase of some equipment for both projected and non-projected visual aids by every church, and the training of responsible people in each organization in the use of visual aids.

On May 13 a Visual Aids Workshop was held in the First Baptist Church of Winston-Salem. Rev. Jimmy Morriss, State Director of Visual Aids, was present to lead the discussion. Many of our churches were represented and we feel the meeting was very profitable. Then, on August 9-10 a Visual Aids Weekend was promoted at Camp Retreat and some of our local leaders in this field presented a very interesting and enlightening program.

We feel some progress was made in the field of Visual Aids and we trust that greater strides may be made by our churches during the coming year that the work of our Lord may be promoted in a greater way than ever before.

Respectfully submitted,
W. T. Adams, Chairman

5. LIFE SERVICE FELLOWSHIP, B. N. Sullivan

The Life Service Fellowship held two meetings during the past year. The Christmas meeting was held at the North Winston Baptist Church in the last week in December. Because we felt that the world situation demanded that we do some tangible act to aid someone, we decided to have a very light meal, which would be inexpensive, and send the remainder of the money collected to the Baptist Hungarian Relief Program. However, even though our intentions were good, the cost of our soup and the payment of the kitchen employees took more money than had been collected from the thirty members who were present. Dr. Robert A. Dyer of the Wake Forest College Faculty brought a very inspiring message to the assembled group. The evening was made complete by engaging in games, renewing acquaintances, and making new friends.

The Summer Retreat of the Life Service Fellowship was held at Camp Retreat on August 17-18. The meeting was opened with a devotional talk by Dr. Robert A. Dyer. The remainder of the afternoon was spent in recreation. In the evening, officers for the coming year were elected; colored slides from experiences on Okinawa were shown by William Allred; and a campfire service was conducted by Anne Phillips. Even though torrents of rain flooded the camp-grounds approximately 15 members remained for the activities Sunday. Fifty young people had registered for the meeting Saturday afternoon. Sunday morning Bible school was taught by Tommie Canipe, a student at Bowman Gray; the morning service was lead by Truman Smith, who is in training at the Pastoral Care Department of the Baptist Hospital. Special music was provided by Miss Kay McGee. On Sunday afternoon, Dr. J. T. McRae closed our assembly in leading us in a discussion group.

The theme for the weekend was "The Field is the World." All the speakers were outstanding; the camp staff under Mr. Benfield was efficient and kind. Those who were interested found a real source of inspiration.

Respectfully submitted,
William C. Allred, Jr.

The Recorder Representative, Bro. Bazemore, was recognized and made a brief talk on the State Paper.

7. OBSERVING HIM IN CARE FOR THE AGING, J. M. Hayes

N. C. Baptist Homes For Aging

This, the seventh year of operation of the Baptist Homes for the Aging, has been the greatest year of expansion, thanks to our Lord for His continued favor, and the North Carolina Baptists for their increased support.

The new Administration and Residential Building was opened June 13. All rooms are now occupied, except four in the infirmary, which are reserved for residents who will need them.

The new building increased facilities to 112 residents, counting residents at Resthaven and the Albemarle Home. It also added half a million dollars to the value of the assets of the Homes for the Aging.

Another forward step was taken in July when the General Board voted unanimously to accept the offer of Don G. Matthews, Sr., Hamilton, N. C., to give $50,000 and land on which to build a Home for the Aging in eastern Carolina. This fourth Home will probably add space for approximately forty additional residents, thus bringing the total capacity of all the Homes to 150 residents.

The Wills have been probated in Forsyth County in which the Homes were remembered with sizeable gifts when received. Word has come of other Wills in which the Homes will share.

A total of about eighty-five thousand ($85,000) dollars has been received from the February Special Day Offering. This represents an average gift of ten (10¢) cents per Baptist—850,000 in number.

The challenge facing the Homes for the Aging at present is to finish paying for the new building, although the Baptist State Convention authorized that the Homes might borrow up to one hundred, seventy-five thousand ($175,000) dollars to finish paying for the construction and equipping the new building on Reynolds Park Road. Actually, it was not necessary to borrow but one hundred thousand (100,000) dollars. Surely, with all North Carolina Baptists responding with a generous Special Day Offering on the third Sunday of February, 1958, and with continued gifts coming in from other sources as they have been in the past, this balance of one hundred thousand ($100,000) dollars, should be paid within the year. Accordingly, if every pastor and superintendent of the Sunday School will urge the members of each church to respond to this worthy cause, the Baptist Homes for the Aging would be free of debt by the end of the year, 1958.

The residents, and all connected with the Homes for the Aging, are deeply grateful for the support received in the past, and join with the Baptists of our state in thanking God for His favor and blessings year by year.

The state of health of the residents has been remarkably good, considering their ages 65 to 97 years.

Acceptance of New Churches

Luther Matthews, Chairman of the Missions Committee brought the following report.

Two new churches made application to be received under the watchcare of the Association. Knollwood and Morning Star. They were accepted.

He then brought a recommendation that three churches received under watchcare last year, Vienna, Griffith, and Wake Forest, be received in regular standing. All to be voted in at the same time.

R. E. Adams made a motion that each church be considered separately. This motion carried. Vienna and Griffeth was approved.

The Wake Forest Church was then under consideration.

Dr. Ralph Herring then explained why a substitute motion was necessary.

He then made the following substitute motion.

To the North Carolina Baptist State Convention in Annual Session, Raleigh, North Carolina, Dr. J. C. Canipe, President.

Dear Brethren:

We of the Pilot Mountain Baptist Association in Seventy-second annual session have under consideration the application of the Wake

Forest Baptist Church for membership with us. The practice of this church of extending associate membership to church members of other denominations is an irregularity which has occasioned us deep concern. Were the position occupied by the Wake Forest Baptist Church similar to that of other churches in our fellowship, we would have little difficulty in making our answer. We feel that our pastors and churches are united in the conviction that membership in Baptist churches except through baptism should be confined to those who come from other churches of like faith and order. Since our difficulty is due to the peculiar relationship of the Wake Forest Baptist Church to the Convention, in that it is identified so completely with one of the institutions of the Convention, it would help us greatly for the Convention itself to define its own attitude on the question of associate membership and advise us of the same. We are continuing the Wake Forest Baptist Church under watchcare until we hear from you.

Respectfully and fraternally,
Pilot Mountain Baptist Association

October 22, 1957
Winston-Salem, N. C.

> *From the Constitution of the Wake Forest Baptist Church: Be it resolved that Article III, Section 4, of our Constitution be amended to read as follows: "Persons who are members of other churches but who do not wish to assume full membership in this church may be received as Associate Members by vote of the church. Associate membership is intended for the Wake Forest College family, is intended to be temporary, and is subject to the recommendation or approval of the Membership Committee."

The substitute motion carried and Wake Forest Baptist Church was to remain under the watchcare another year.

To: Royal Ambassador Counselors
Re: Plans For Royal Ambassador Promotion in all Churches

On October 1, 1957 the transfer of the Royal Ambassador work from Woman's Missionary Union to the Baptist Brotherhood will be completed. In many churches the transfer has been made and this promotion is being done by the Brotherhood. In other churches there are questions, especially if that church does not have a Brotherhood. With that question in mind we offer the three suggested plans for promotion:

> ROYAL AMBASSADOR COMMITTEE OF THE CHURCH BROTHERHOOD in churches with Brotherhoods will be responsible for the promotion. This committee is one of the regular committees of the Brotherhood and replaces the Boys' Work Committee. See the leaflet, "The Royal Ambassador Committee of the Church Brotherhood," available free from the State Office for makeup, duties, and agenda for meetings, etc., of this committee.
>
> 2. ROYAL AMBASSADOR COMMITTEE FROM THE CHURCH, elected in the same way as other church committees, will be responsible for the promotion in churches that *do not* have a Brotherhood. The duties, make-up of the committee, etc., will be the same as that in the above, and can use the same leaflet available from our office. All things being equal it might be well for this committee to be made up of men so that when a Brotherhood is organized in the church the committee can become the Royal Ambassador Committee of the Brotherhood.
>
> 3. WOMAN'S MISSIONARY UNION should continue to promote Royal Ambassador work in churches where *neither* of the two above plans seems the best and wisest plan for the church. They will work with the pastor and other leaders in working out the best plan and should it seem that W.M.U. promotion will work better in a church than any other, certainly it is hoped that they will continue that promotion.

With these three plans of promotion we believe we can reach all of our churches. Certainly it is our hope that we should not lose a single chapter, nor any emphasis that we now have, and we see no real reason as to why we should.

We shall be most grateful to you for your help in getting word about these plans to your church and for your help in setting up some plan of promotion in your church. Should you need copies of the leaflet mentioned above please order from the office. Should you have questions or suggestions please let us know.

Sincerely Yours,
E. L. Holder

REPORT OF WOMAN'S MISSIONARY UNION

The past year marks the resignation of Mrs. Walter L. Warfford, who served so ably and untiringly as superintendent of Woman's Missionary Union for four years. Also during this year the transfer of the R.A.'s from the sponsorship of the W.M.U. to that of the Brotherhood was completed. We assure the Brotherhood of our prayers and continued interest in the work of the R.A.'s

This year our work was rated by a more flexible standard called Aims for Advancement, which has replaced the former Standard of Excellence. Organizations may be rated as Approved, Advanced, or Honor units.

As we continued to emphasize the fundamentals of our work, study, prayer, community missions, and stewardship, we have seen increasing response and blessing in the lives of our people. There were two mission study institutes held and two leadership conferences. The annual Regional Leadership Conference, which this year replaced the State Overnight Leadership Institutes, was well attended by leaders from our association. A renewed emphasis on the ministry of prayer came as a result of a study of a book on prayer during the summer months. In community missions we emphasized Christian citizenship and the alchohol problem. Our concern is that only 31 of 64 societies report engaging in soul winning, which is the heart of community missions and should be a part of every society's work.

Of the total W. M. U. membership of 6,265 there are 1,703 tithers. The totals of our special offerings were:

Lottie Moon	$22,200.20
Annie Armstrong	8,197.09
Heck-Jones	2,150.02
Grand Total	$32,547.31

The W.M.U. also cooperated in the offering for State Missions and in the Tithers "Prove Me" program.

We fostered the missionary education of our young people in 155 organizations, with a special emphasis on our associational camping program where a total of 420 boys and girls were reached with 36 decisions for Christ. We thank God for all his blessings.

Respectfully submitted,
Mrs. W. Elvin Jones, Supt.
Pilot Mountain Associational
Woman's Missionary Union

The closing address, Observing Him in World Missions, was delivered by Mrs. W. K. McGee, President North Carolina W.M.U.

WEDNESDAY MORNING, OCTOBER 23, 1957

Troy V. Hamrick, Moderator, presiding

The second day of the Association started on time, 9:30 with Song, Scripture and Prayer.

REPORT ON THE RELIEF AND ANNUITY BOARD

The Relief and Annuity Board of our Southern Baptist Convention had total assets ending June 30 amounting to $52,431,590.95. The Board is building a modern building of fifteen stories in Dallas, Texas. It is in a healthy condition. All the money of the Board is held for the benefit of those who participate in one of the Plans for Ministers and fulltime religious workers. It cannot be spent for any purpose other than that for which it was designated by the givers.

The total expenditures for relief for the first six months of 1957 were $133,931.14. Thirty preachers and 25 widows have been added to the relief rolls during this same period. One of the geratest needs is for more money for relief of aged preachers. This must come from our churches. We should all take a special offering for this worthy cause at least once a year.

Every Baptist Pastor who is not already in one of the Retirement plans is urged to join the Southern Baptist Protection Plan, which is the only plan now open to new members. Write to the Relief and Annuity Board of Dallas, Texas for full information about this plan. It is the best plan for the pastor and will be a great protection and a joy to him as the sunset years come.

Respectfully submitted,
Ronald E. Wall

REPORT OF AMERICAN BIBLE SOCIETY AND CHRISTIAN LITERATURE

The American Bible Society was founded in 1816, and it has as its single purpose the circulation of the Scriptures without note and comment, to every man. Many people who need the Bible so badly are not able to pay a minimum price. The American Bible Society has its prices fixed at the wholesale level. A Bible which could be purchased for $8 in some bookstore can be sold in the Braille language for $.25 per copy to the blind. The past year the Bible Society celebrated the translation of the Bible in whole or in parts, in 1,109 languages and dialects. It gave without cost 800,000 copies to our men who are in the Armed Forces. By the end of 1957 there will be over 14,000,000 copies of the Bible and portions of the Scriptures published. And yet because of a lack of funds many people who desire the Bible have not been able to secure a copy. We as Baptists have a great opportunity in spreading the gospel by supporting the American Bible Society. Let us put the American Bible Society into our budgets.

In our Southern Baptist Convention we have great resources in Christian literature. I should like first to mention the *Home Life* Magazine, which is second to no other Christian publication in America. It is a Christian family magazine, dealing with some of the most aggravating family problems in a masterful way. This magazine comes as an individual subscription for $2 per year, but if your church should buy the magazine by bulk shipment, mailed to one address, it would be $.38 per copy. *The Commission,* our missionary magazine, is always filled with news and thrilling stories about our missionaries who serve all over the world. *The Sunday School Builder* is of infinite value to our Sunday School and is filled with the "know-how" and inspiration in building better Sunday Schools and planning better lives. *The Training Union Magazine* is filled with information, and inspiration for those who are in training in our Master's Kingdom service.

In the last place I should like to mention our own state papers. First the *Biblical Recorder,* which was founded in 1833 and today has a circulation of over 62,000 copies per week. The *Biblical Recorder* deals with the problems in our state and has a wealth of information regarding Baptists. It is one of our most beloved Christian magazines. We can secure the Biblical Recorder under three plans: The every-member plan, $1.50 per year; the club plan, $2 per year; and the individual subscription, $2.50 per year. Then there is *Charity and Children,* which is very popular among North Carolina Baptists. It is the organ of our Children's Homes and has a wealth of information about North Carolina Baptists. We have a wealth of literature at our disposal. Let us use it that God's Kingdom may progress in a greater way.

TRAINING UNION DEPARTMENT

Report of Associational Training Union: 1957

Is training necessary? Most of us readily admit that, for a Christian to render his maximum service and to attain some of the growth possibilities in the Christian life, it is necessary that he give himself to a program of training and development. "Training is not optional. It is an absolute necessity."

In 1957 we have 57 Training Unions in churches and 3 in missions. This leaves 20 churches and 5 missions without Training Unions. Of 6500 enrolled in Training Union, there were 1545 from 38 churches receiving study course awards and 145 from 10 churches attending assemblies.

Your Training Union Department has adopted a goal for 1958 of 20% increase in all sections of the work. We moreover engage to encourage all churches with Training Unions to enlist all their members in Daily Bible Reading and Prayer, and to put on a crusade to increase Prayer Meeting Attendance. Through your help in your local churches by holding study courses, attending meetings and conferences, and uniting together in prayer that the will of the Master will be accomplished in every church, we will see the greatest Training Union year ever.

Realizing that we need an increased understanding of our Baptist heritage, to strengthen our convictions on beliefs which have guided Baptist growth through the years, we adopt the Southern Baptist Theme "OUR BAPTIST HERITAGE." "I send you to reap that whereon ye bestowed no labour: other men laboured, and ye are entered into their labours" (John 4:38). Where have we come from? Where are we going? How did we get here? How far should we be? Why do we continue on? These questions and many others will be answered for every Baptist in our Association if we will join forces in a program of Training in Church Membership.

Every church should conduct regular classes for Orientation of New Members, using the book, *Your Life and Your Church.* Every local Training Union should help some other church with its Training Union work every quarter. Every member of a Baptist church should be a member of its Training Union. Every member of a Training Union should not be satisfied until these things are accomplished.

God's blessing on you as you train for better service for Him. If we of the Associational Training Union Department can ever be of service to you in any way, please feel free to call upon us at any time.

Dewey Bovender, Director

REPORT OF ASSOCIATIONAL SUNDAY SCHOOL WORK

Christ's commission to the church which He has established says in part, "Teach them to observe all things, whatsoever I have commanded." A Sunday School that is functioning properly guarantees that the Bible will be taught effectively, which leads naturally to intensive efforts to reach people, winning them to Christ and into Christian Service. This is being accomplished by the Sunday Schools of the Pilot Mountain Association because the workers are becoming more willing to train for their respective jobs. Proof of this is seen in the increased number of awards in the Sunday School training courses. There were 1735 awards received this year, an increase of 662 or about 50% over last year.

Enrollment increased from 27, 767 to 31, 063—a net gain of 3, 296 or about 12% over last year.

Vacation Bible Schools reached a total of 70 (including 6 held at the various missions) with an enrollment of 9,935, an increase of 1,154 or about 13% over last year.

Sunday School Group meetings, planning meetings and a week-end at Camp Retreat during the year, helped promote the work of each department of the Sunday School through the use of film strips and discussions for the improvement of the work.

Eight missions are in operation in the association at present. They are Patterson Ave., Lakeside, Southside, Oak Ridge, Peace Haven, North Chapel, 19th St., and Union Cross. With a total Sunday School enrollment of 1, 047 and a Vacation Bible School enrollment of 439.

The Sunday Schools are urged to make every effort this year to increase the number of training awards, to reach more people through a greater increase in enrolment, to put into effect methods that will mean more efficient work, one of which is the Correlated Church

Nursery Program, a plan for unifying, strengthening and improving the Nursery work of the church, and to use more visual aids in the teaching and training program.

REPORT ON EVANGELISM

The theme for our association is "Observing Him." As we observe Jesus in the field of evangelism, first we hear John the Baptist say of Him "Behold the Lamb of God." We also hear Jesus define His mission thus, "I came to seek and to save the lost." His last act before returning to the Father was to give the World-Wide Commission—that lost people everywhere might be saved. As we observe Him, we see Him showing compassion for the multitudes, preaching to and teaching the multitudes, and the individual. At least two things should be the results of our observing Him; first, we should follow the plan He used; Second, we should be obedient to the command, "As My Father hath sent me into the world, even so send I you."

Your committee on Evangelism met to consider the advisability of an Associational Wide evangelistic effort in 1958. It was the opinion of the committee that since many of our churches had set revival dates already, that we should not attempt such a program in 1958. Therefore, we make the following recommendations:

1. That we have a One-Day Evangelistic Clinic on January 13, 1958—this being the date suggested by our State Secretary of Evangelism.
2. That we join in the World-Wide Simultaneous Revival Crusade in 1959. The date for our area is April 12-26, 1959.

Respectfully submitted,

MEMORIALS

The Lord honors his saints in death—Psalm 11:6-15: "Precious in the sight of the Lord is the death of his saints." Therefore, in tribute to our departed companions we would request the Clerk of our Association to have inscribed on the pages of our Minutes the names of our departed in the churches and in a moment of silence and prayer renew our link with the immortal before our Father's throne.

Annual Meeting
Woman's Missionary Union of the Pilot Mountain Association

Clemmons Baptist Church
Clemmons, N. C.
April 12, 1957
Mrs. W. L. Warfford, Superintendent, Presiding

Theme: "The Field is the World"

The singing of the W.M.U. hymn for the year, "From Greenland's Icy Mountains" opened the Annual meeting of the Woman's Missionary Union of the Pilot Mountain Association April 12, 1957 at the Clemmons Baptist Church.

Mrs. W. Elvin Jones, incoming Superintendent, brought the devotionals, reading Acts 1:8; Romans 14: 11-12, following with special music by ladies of the Clemmons W.M.U., closing with a season of prayer led by Mrs. Jones.

Mrs. J. Thomas Cook, President of the Clemmons W.M.S. extended welcome and Mrs. C. O. Matthews made motion that registered delegates constitute governing body for this meeting and Miss Ruth Williams made motion that the printed program be the order of business. Both motions carried.

Mrs. Warfford welcomed following visitors: Mrs. Stafford Webb, Regional Supt. Mrs. M. E. Wilson, Regional Mission Study Chr., Mrs. Barbee, Regional Comm. Missions Chr., Rev. Charles Cowherd, Missionary; Pastors W. Elvin Jones, C. H. Stanfield and J. D. Allgood; Mrs. John Wacaster, W.M.U. Field worker and Mrs. W. K. McGee, state W.M.U. President.

Mrs. Warfford appointed the following Committees:

Nominating Committee: Group #1—North—Mrs. Everette Barnard, 1st Baptist, W-S—South—Mrs. Chester Bovender, Knollwood; 2—Mrs. J. C. Lawrence, Lewisville; 3—Mrs. E. L. Bodenheimer, Kernersville; 4—Mrs. M. H. Phillips, Jr., Bethany; 5—Mrs.

C. T. McGee, King; 6—Mrs. Richard McQueen, Quaker Gap; 7—Mrs. Arthur Reid, Oak Grove #1.

Time and Place Committee: Mrs. W. H. Rule, Mineral Springs, Chairman; Mrs. A. M. Griffin, North Winston; Mrs. Clyde Calloway, Southside; Mrs. I. G. Ross, Walnut Cove.

Appreciation Committee: Mrs. Carroll Weathers, Wake Forest, Chairman; Mrs. Clarence Joyner, Waughtown; Mrs. Agnes Jackson, Calvary.

Mrs. Williams, Treasurer, called attention to the detailed Treasurer's report, copy of which was given to each person present, and copy attached to these minutes.

WOMAN'S MISSIONARY UNION IN REVIEW—in the Pilot Mountain Association—Mrs. C. O. Matthews, associate Superintendent, stated that of the 77 churches in our Association, 63 have a W.M.S., 3 having been organized during the past year; namely, Wake Forest, Knollwood and New Hope. Mrs. Matthews urged that during the coming year we make special efforts to witness to the remaining 14 churches without a W.M.S. and endeavor to help them. We grow by increasing membership in existing organizations and by forming new societies. Those churches without W.M.U. work are: Center Grove, Closer Walk, Danbury, Dennis, Ellisboro, Friendship, Hollow Road, Kerwin, New Bethel, Oak Level, Stoney Ridge, City View, Forest Park and Woodland.

Mrs. Warfford, Superintendent, called attention to Acts 1:8, used in the devotional, asking if we were seriously endeavoring to carry out Christ's parting message that we witness for Him—are we as W.M.S. members doing our part in our own Association both with the women and our young people? Have we prayed as we should? Only 39 Societies observed the Season of Prayer for Foreign Missions, 24 W.M.S. are definitely promoting use of the Prayer Calendar and we only have 6 Intercessory Prayer Leagues. Are we informing ourselves as we should—we only have 4 Missionary Round Table groups and 2 Y.W.A. Book Clubs. More of our ladies are reading, but our aim is for all to read our Missionary periodicals and books that we may know conditions, and then we will pray more, and do more for others.

Miss Ruth Williams, Missionary Fundamentals Chairman presented the W.M.U. work in preview as a church building as follows:

Mrs. E. L. Bodenheimer, Prayer Chairman stated that the foundation of our work is prayer and urged us to be faithful in our prayer life that others may know.

In teaching—Mrs. Cannon, Mission Study Chairman stated that mission Study is the windows of our church, an informed Christian is missionary minded.

In reading—Mrs. Casey gave us some figures on our reading materials: In our 63 churches with W.M.U. work, we have 3,310 W.M.S. members; there are 1,197 subscriptions to Royal Service, 453 subscriptions to Tell, the GA Magazine; 120 subscriptions to Sunbeam Activities and 160 subscriptions to the Window of Y.W.A. Each W.M.S. Member should be subscribing to Royal Service.

Several women of the Waughtown W.M.S. presented an interesting skit on the literature that is available to W.M.S. members, and Young People's organizations.

In Doing—Mrs. Roddick, Community Missions Chairman stated that the roof covers the church and the steeple points upward, so should we look to Christ for guidance in our contacts with the lost and unchurched peoples around us—they are reached through love and service and that is Community Missions.

In Giving—Mrs. Wall, Stewardship Chairman stated that Stewardship is the doorway of service through which Christ's presence is felt among all men everywhere. Gifts of our Lives and money open the door of service, and by being faithful stewards, we can hear and answer the calls as they come to "send the light."

Song: "O, Zion Haste!"

Miss Eunice Duncan, Youth Director, presided over the Young People's work. She stated that one of the purposes of the Woman's Missionary Union is to "Enlist young people in a definite study of, and vital participation in, missions."

Mrs. Shouse, Sunbeam Leader stated that a good group attended Sunbeam Week at Camp Retreat, and she asked that we pray for the Sunbeam work and for the leaders. We have 49 Sunbeam organizations with 680 enrolled.

Miss Yoder, GA Leader, reported a good year for Girl's Auxiliary with 4 new organizations during the year but that there is a great need for more counselors in the local churches; more concern from the parents about the GA work and more counselors to serve at Camp Retreat during the Camping periods. Miss Katy Ruth Grayson is co-Leader of GA Work.

Mrs. McKee, YWA Leader, stated that the YWA's had had a good year, but there are only 34 YWA's in our Association, and that more concern for YWA work is needed in those churches who do not have YWA work. The programs are well prepared, the activities are interesting and enjoyable and those girls who are not in YWA are missing valuable training in Christian service.

Mrs. W. C. Allred, Margaret Fund and Carver School Chairman, stated that since 1907 when the Training School was organized some 4,000 students have graduated from the school and gone out into service in 43 of our States and 33 countries. The Margaret Fund aids in the education of Missionaries' children and she introduced Paul Gillespie, a Margaret Fund student who told what the Margaret Fund had meant to him in educating him that he might go back to the foreign fields and tell the story of Jesus to those who have not heard.

A report of our Camp Retreat for the Summer of 1956 showed much interest in the various weeks, but not as many of our boys and girls are going to our Camp as we would like. The programs are interesting and our Youth Leaders are urging that our Adults help encourage our boys and girls to take advantage of the training each year at Camp Retreat.

Rev. Elvin Jones and his daughter, Mimi, gave an interesting skit on Camp Retreat. There were children from 30 of our churches in camp during last Summer.

Hymn: "Jesus Calls Us"

Mrs. Stafford Webb, Regional Superintendent brought an inspiring message on "Laborers together with God." Mrs. Webb asked the question, "Do we know how to pray" and "Do we know enough about our world to pray as we should?" "Will we have a feeling of regret in our lives for not being the laborer that God wants us to be. Christ says that if we will "come unto him"; learn of him, follow after him, then we will "Go and tell."

Solo: Miss Carolyn Byers, of North Winston, "Hark the Voice of Jesus Calling" accompanied by Mrs. Elvin Jones.

Rev. Charles Cowherd, missionary to Indonesia, brought interesting facts of his work in Indonesia. He urged more prayers for workers, especially nurses and doctors in all fields of foreign work. He stated that anyone who is not in the center of God's will is missing the greatest blessing that can come to a human being. He urged that we share in the abundant blessing of God.

Rev. Elvin Jones led in prayer closing the morning session.

Afternoon Session

Song: "Send the Light" and prayer by Mrs. E. L. Bodenheimer opened the afternoon session of the meeting.

Report showed that 27 churches were represented at the meeting, with 149 people registered.

Appreciation Committee: Mrs. Weathers, Chairman, reported as follows:

"We are most grateful for the many blessings God has so bountifully bestowed on us during the past year and for His watchful care and guidance of our humble efforts in his service.

BE IT RESOLVED: that we sincerely thank each and every member of the Clemmons Baptist Church who had a part in entertaining us so graciously today, and:

BE IT RESOLVED: that we express our sincere appreciation to the Program Committee for their work in arranging most interesting and inspiring messages for us, and:

BE IT RESOLVED: that today we earnestly dedicate ourselves anew to the service of our Lord and Saviour." Adopted.

Time and Place Committee: Mrs. Rule, Chairman, stated that North Winston had invited us to meet with them for the 1957-1958 meeting, the time and date to be set by the State Executive Committee. Adopted.

Song: "O Jesus I have Promised."

Report of Associational Missionary

The Associational Missionary, Lewie E. Ludlum, presented his annual report under the heading, "Some Observations and Evaluations." The following is an abbreviation of his address:

I. Most of our churches in recent years have shown remarkable ability to adopt their programs to present and future needs of the local community. Examples cited mentioned the progressive or long range building program of many of our churches and also the excellent and inclusive program of most of our rural churches.

II. There is a growing interest in prayer and financial support for missions. Many of our churches have maintained a worthy percentage for missions even during a heavy building program. Most churches which fail to do this do not find it easy to increase mission offerings following payment of building indebtedness.

III. There is a great need for much prayerful attention to missionary recruits from our churches. A shortage of missionary and church staff personnel is perhaps more serious than a shortage of funds by which to support them. We should pray definitely that the "Lord of the Harvest will send forth workers into the harvest."

IV. Associational Missions has come to take its rightful place in the hearts and lives of our people. Many of our churches now recognize this as a definite and important part of God's plan to win the world to Him. More and more our churches are providing regular and worthy financial support for it.

CONCLUSION—My family and I have greatly enjoyed our work with Baptists of the Pilot Mountain Baptist Association. We want to pay tribute to Miss Ruth Williams as an excellent co-worker and to say many thanks to the many hundreds of you who have had a part in our work together.—Lewis Ludlum

Associational Missions—Ralph Cannon, Lewis Ludlum, Ruth Williams.

Ralph Cannon, Chairman of the Missions Committee expressed appreciation for our two faithful Missionaries, Lewis Ludlum and Ruth Williams. A standing vote of appreciation expressed the sentiment of the association.

The following reports were given.

Resolutions from Associational Missions Committee

Resolutions were presented by Lewis Ludlum from the Associational Missions Committee as follows: 1. Resolved that we encourage our churches — particularly the smaller and middle sized churches — to become familiar with and arrange to participate in the church achievement program as sponsored by the Church Development Department of our Baptist State Convention.

2. Resolved that plans be made to properly celebrate the 75th Anniversary of the Pilot Mountain Baptist Association in 1960. The Associational Executive Committee to act as a Steering Committee to make and direct plans for proper observance of the occasion.

Evaluation of Year's Work — 1957-1958

Ruth Williams

During the past few days I have been making a brief study of the various organizations in the local churches. This study leads me to believe that the whole program of work in our association is on the upward trend. However, there are a few observations we must make if we are to remove obstacles and continue to progress.

1. The number of people receiving the ministry of local churches decreased somewhat this year. This decrease is more noticeable in adult groups — in some cases.

2. This is apparently a wide spread problem. The fact that one of the state youth assemblies had to be canceled bears evidence of the above statement.

3. Numbers alone, however, do not tell a true story. There are many things not revealed by statistics. We would hasten to say that there were more encouraging observations than discouraging ones. A few of these are:

1. Names of over 50 young people were sent into the office this

summer. These young people have dedicated themselves to finding God's plan for their lives.

2. We have more youth organizations since last year.

3. More tithers, which points to the fact that God is leading and blessing the financial part of our work as well as other phases.

4. We see tangible evidence of these blessings when we look at the new office we have used since last April. We are, indeed, grateful for the new facilities you have provided for us. We have so much more room and can work much more efficiently than in our former office. It is our desire to be good stewards of this wonderful space we have in which to do our work. Let us dedicate ourselves anew to work and pray together to promote our Lord's work in a greater way.

2. Camp Retreat Report presented by J. M. Johnson, Chairman of the Camp Committee, and J. D. Allgood, Treasurer of the Camp Fund. Reports adopted.

Camp Retreat — Summer 1958

We are happy to report that this past Summer was a highlight in the history of Camping at Camp Retreat.

A very efficient "Staff", composed of eight fine, consecrated Christians, headed by Mr. Wilson Norwood, led and directed 248 of our fine boys and girls from this Association in a Camping Program which, we believe, was not surpassed by any Camp anywhere in our State.

These boys and girls came from 44 churches scattered over our Association. During the six weeks of Camping, 25 of these made public their profession of faith in Christ as Savior. 48 others made public dedication for greater work in Christian Service. 97 Sunbeams with 27 leaders enjoyed day camps. Making a total of 372 persons, many of whom would have been deprived of lasting blessings had it not been that you have provided for them the facilities for a Camping Program.

Six of our fine pastors left their busy schedule and served as Camp Pastors during these weeks.

Six Missionaries, State, Association, Home and Foreign, were present — one for each week.

Your Camp merits a contribution of your support and your prayers, that this phase of our service may reach every possible opportunity before us.

Respectfully submitted,
Your Camp Committee
J. M. Johnson, Chairman

	$25,000.00

Notes

1. Several Budget items are identical or about the same as last year.
2. But the total over all budget is up about 15% larger.
3. The First mortgage payment on house and office at 1501 E. Polo Rd. ($1,475.00) is about the same as, and has taken the place of house rental allowance and office rent in previous budgets.
4. Financial support for our associational missionaries has been brought in line with that provided by other associations of similar size. Sentiment for this has been expressed repeatedly for the past two years. Many have felt it should be increased.
5. Your committee suggests that each church provide a minimum of $1.15 per member for the General Budget and 35¢ per member for the capital needs fund. That proposed for capital needs is about the same as has been provided for Camp Retreat alone previously. The added 15% per member is for the general fund, the increases for which definite sentiment has been expressed. Naturally responsibility for this rests with the churches.

W. Elvin Jones, Chm. Finance Committee
Ralph Cannon, Chm. Missions Committee

4. Report on Forward Program of Church Finance presented by James Pernell. It was noted that twelve to fifteen churches in the association had used this program this year.

5. Audio-Visual Aids Committee Report was presented by Bill Adams.

Report of the Audio-Visual Aids Committee

You are the kind of person you are today because of the things you have seen and heard. God, in His wisdom, has given us these two great windows of the soul and, as with all His gifts, He expects us to use them wisely for the extension of His Kingdom and the salvation of lost people. It would hardly be possible, then, for us to over-emphasize the proper use of these methods of teaching.

In the light of this truth your Audio-Visual Aids Committee has sought to lead our churches in more effective use of these aids. We have emphasized the need for delegation of responsibility in the local church through the election of an Audio-Visual Aids Committee in the church. We have sought to bring to your attention the availability of newer and more effective materials and methods. To this end an Audio-Visual Aids Workshop was conducted at the First Baptist Church of Winston Salem during the last week in May. At that time Rev. L. J. Morriss, State Secretary of Audio-Visual Aids, was present to lead the discussion and to show us more effective means of using these powerful instruments of teaching. Several of our churches were represented and we are certain they have profited in the Kingdom's work through this increased knowledge in the use of Audio-Visual Aids.

It is our prayer that our churches may come to an increasingly fruitful ministry and we commend to you the wider and wiser use of Audio-Visual Aids in the attainment of this worthy goal.

Respectfully submitted,
W. T. Adams, Chairman
Audio-Visual Aids Committee

6. Life Service Fellowship Report was presented by Mrs. Sullivan.

Life Service Fellowship Report

The Life Service Fellowship had two meetings during the past year: the Christmas Party and the Youth Retreat. The party, held at First Baptist, had about 40 in attendance; Rev. John McGee, missionary to Africa, was the main speaker. The spirit was excellent.

The attendance at the retreat was quite disappointing, although the program was good — and those attending were inspired. Among the program personnel were: Rev. Bones McKinney, Chaplain Bob Gunter, Mrs. Everett Gill III, and others. Youth officers for the coming year were elected as follows:

President	Bobby Knott, North Winston
Vice-Chairman	Graydon Hudspeth, Mineral Springs
Program Chairman	Glenda Cannon, Southside
Secretary and Treasurer	Barbara Dean, Bethany
Publicity Chairman	Sandra Henderson, First Winston-Salem

Chorister .... Larry Heath, New Hope

In light of the increased number of volunteers reported to us this summer, the committee feels that a renewed effort should be made to guide and encourage these splendid young people.

Rev. John Tubbs has recently been employed by the Southern Baptist Convention as full-time Church-Related Vocation Counsellor. This new southwide emphasis should be a real boost to help us carry further the purpose for which this Life Service Fellowship group was organized.

The boards are seeking more young people for appointment! Over 4000 Baptist churches are new seeking vocational workers! CAN WE NOT HELP OUR VOLUNTEERS OF TODAY BE APPOINTEES OF TOMORROW — AT HOME AND ABROAD?

Respectfully submitted,
Mrs. Beverly Sullivan, Jr., Acting
for the Chairman, Mrs. Harry Goble

7. Miscellaneous Business and Recognition of visitors.

The Representative from the Biblical Recorder and also the Charity and Children were given five minutes each at this time.

Miscellaneous Business.

The Moderator appointed a Committee on Committees. Luther Matthews, Chairman, Talmadge Hall, James Pernell, W. T. Adams, H. C. Porter.

The Clerk who was also chairman of a committee of three to study the Constitution for any changes presented a report that was adopted and the constitution will be printed in this issue of the Minutes in revised form.

W. Elvin Jones, Chairman of the Finance Committee, recommended that the Trustees have power to take care of repairs on the missionary's home. A suggestion was also made that a Properties Committee might be the best solution to this problem.

Lewis Ludlum made a motion that the rural churches be encouraged to take part in the Church Achievement Program. Motion adopted.

Motion also made by Lewis Ludlum that the proper plans be made for the seventy-fifth birthday of our association. Adopted.

The final report of the morning session was a report on our Home for Aging.

Report (1958) North Carolina Homes for Aging

The Homes For Aging are now in their eighth year of operation—Resthaven opened March 16, 1951; the Albemarle Home, December 7, 1953; and the Administration Building, Winston-Salem, June 13, 1957.

The three Homes have facilities for 119 — counting residents and helpers. The average number of residents will exceed 100.

Efforts were launched in June to raise $100,000 to match a gift of Mr. Don G. Matthews, Sr., of $50,000 and land on which to build a fourth Home For The Aging to be located at Hamilton, Martin County. It is expected that the campaign will be successfully completed this year, and the construction of the new Home will then begin. The Home will provide facilities for approximately forty residents, giving a total capacity for all three Homes of 150 persons.

The Homes have had a good year financially. The auditors' report for the year ending September 30, 1957 showed that the income was $268,924.58. When the new Administration Building was ready for occupancy, $103,000 was borrowed to finish paying for construction and equipment. All of this has been repaid except $20,000. Funds received from the Special Day Offering and the Cooperative Program have helped to meet the current cost of operation. The Homes have also received help from individual and corporation gifts. The largest individual gift for the year was $40,000.

A large number of the residents have been aided financially. Less than ten per cent of the residents have given to the Homes assets sufficient to pay their cost of keep for life. Thirteen residents have paid the monthly rate, which is less than the actual cost to the Homes. Most of the residents are paying one-third to one-half of their cost of keep. This means, therefore, that the difference in cost is taken from funds received from denominational channels and special gifts by individuals and corporations.

Our program of ministering to the aging presents a great challenge to the 850,000 Baptists of our state. We think, first, of the ever- increasing number of aging friends needing larger dormitory facilities; and, secondly, of doubling the capacity of our infirmary in the Administration Building. It now accommodates fifteen patients, but we should have space for at least thirty. It is estimated that elderly people will become invalids at the rate of ten per cent annually. There have been times when we did not have sufficient room for those who needed to be in the infirmary. Our aging friends must look to our Baptist constituency to meet these pressing needs.

With gratitude to all who have made our present Homes possible—churches, individuals and corporations—and with confidence that the Baptists of North Carolina will continue to care for these "old soldiers" of Christ in a deserving way, we look to the future with great hope.

NOTE: The Rev. Charles P. Burchette, Jr., began working with the Baptist Homes For Aging in May, and is living at the Albemarle Baptist Home. He will devote his efforts in the field of promotion and public relations, and will be ready to answer invitations to speak at churches and group meetings as the opportunities are given to him.

Departments Within the Association Reporting

Report on Training Union: Dewey Bovender.

Report of Associational Training Union Director

The theme of the Associational Training Union is "Thou Art The Christ." As we determine to go forward this year in training in church membership, let us hear Simon Peter say, "Thou art the Christ, the Son of the living God." Our aim this year is to help us to acknowledge more fully the lordship of Christ in every area of our lives. Let us join our voices together in the Training Union song, "I Love To Tell The Story," and prove our love and faith toward God by teaching them to others.

At this time there are 4,063 enrolled in Training Unions in 53 churches and 3 missions. 36 churches participated in study courses, having a total of 1,382 awards.

The Training Unions are urged this year to make a 15% increase in all phases of the work, to promote a study of Baptist history, to conduct monthly officers' councils for planning their work, and to especially cooperate with the simultaneous revival effort in the spring by promoting Personal Soul-Winning Study Courses.

Let us remember that training is not optional, it is an absolute necessity. 1959 should be the year that we prove to the world that Jesus Christ, the Son of the living God, is truly "Our Christ."

Respectfully submitted,
Dewey Bovender, Director

Report on Sunday School: Clifford Elkins.

Associational Sunday School Report

With a sense of my own personal inadequacies and yet deeply grateful to God for all his many benefits, I submit herewith the Annual Sunday School report to our Association.

Your Associational Sunday School organization is a service organization. Our only purpose is to help through the encouragement of the proper use of our schools toward the end that the lost might be won to Christ and the saved acknowledge his Lordship in every area of their daily living.

This year our Association is reporting 73 churches with 79 Sunday Schools. During the year, group Training Schools were held in seven locations with more than 600 enrolled. Regular quarterly meetings were held with one being a mass meeting on April 15 with our Southwide Sunday School Secretary, Mr. A. V. Washburn, present. One meeting was the conference type and was held at Camp Retreat in July.

One new Sunday School was started at the corner of 24th and Liberty Streets by the North Winston Baptist Church. Two Sunday Schools, Beck's and Temple have achieved the Standard of Excellence.

With our face turned toward the future and realizing that our limitations are self-imposed, the following recommendations are respectfully submitted:

1. That we adopt for this year the theme "That They Might Have Life."

2. That the Sunday School Leadership in each of our churches be urged to:

(1) Give priority to the work needed in connection with the Evangelistic effort in the Spring of 1959 which will include, among other things, a complete religious census of our particular community, a study in Soul Winning, and a definite visitation emphasis.
(2) Set an example in personal witnessing.
(3) Determine now that the new year will see a net gain of at least 10% in enrollment and 15% in attendance.
(4) Encourage the enlargement of organizations by starting new departments and classes wherever possible.
(5) Establish and follow a weekly program of visitation.
(6) Cooperate with the Association in organizing new schools during 1959.
(7) Include January Bible Study Week, Preparation Week and Operation Home Study in a systematic program.
(8) Hold a Vacation Bible school and conduct a Mission school where possible.
(9) Encourage all Sunday School workers to participate in and strengthen the Associational program.
(10) Make maximum use of the literature and visual aids now available from our State and Southwide Denominational offices.

Respectfully submitted,
Cliff Elkins, Associational S.S. Supt.

Report on the Brotherhood: S. N. Gibson.

Brotherhood

It is with great pride that I can report an increased interest in our Associational Brotherhood work. We have had six new Brotherhoods organized in the past year and several others are interested in organizing.

Our Royal Ambassador work continues to progress under the direction of Rev. Wilson Stewart, our Associational Counselor. We are looking to great things in our Royal Ambassador program this year.

IN OUR BROTHERHOOD

We began our work this past year with our first meeting at Robin Hood Road Baptist Church on October 21st with Rev. Ray Roberts, State Convention Secretary of Baptists in Ohio, as our speaker.

Our next meeting January 13th at Ardmore Baptist Church was a dinner meeting with the Evangelistic Committee, Rev. R. E. Adams, Chairman. After showing films on Brotherhood work we had as our guest speaker, Dr. E. W. Price, Pastor of Green Street Baptist Church, High Point, North Carolina.

Our host church for the April meeting was Knollwood. Our speaker was Mr. Marse Grant, editor of "Charity and Children."

July 25th was our annual meeting at Camp Retreat at which time everyone present enjoyed a fish dinner. Our speaker was Rev. Smith from Sandy Ridge.

We urge the continuance of your prayers and your cooperation as we continue to work toward our goal which is organizing a Brotherhood and a Royal Ambassador Chapter in every church of our association.

Respectfully submitted,
S. N. Gibson, President

Report on the W.M.U.: Mrs. W. Elvin Jones.

Report of Woman's Missionary Union

The object of Woman's Missionary Union is to promote Christian missions through a program of mission study, prayer, community missions and stewardship. The watchword is "Laborers together with God."

In Pilot Mountain Baptist Association we seek to promote Christian missions at home and abroad through the organizations of Woman's Missionary Union, which are Woman's Missionary Society, Young Woman's Auxiliary, Girls' Auxiliary and Sunbeam Band. Of the 76 churches there are 11 with no W. M. U. organizations of any kind. There are 24 churches with full-graded Unions.

Two associational mission study institutes were held last year and 199 books were taught in the societies and youth organizations. Nearly 2400 members read at least one approved mission study book last year.

The Baptist Jubilee Advance is a movement in which the major Baptist fellowships of North America are cooperating to reach people with the full force of their Christian witness and to lead them to experience New Birth and Freedom through faith. Looking forward to the Jubilee year, 1964, Southern Baptists have launched a five year program with worthy goals and special annual emphases. Woman's Missionary Union of the Southern Baptist Convention has adopted five-year goals. The whole five year period has been designated as an era of prayer. The special emphasis for next year will be Christian Witnessing. May we deepen our spiritual lives as we pray and witness in trying to achieve our Jubilee Advance goals.

Woman's Missionary Union works as an auxiliary to the church and pledges its support to the pastors and churches of our association in our Jubilee goals. May Christian Witnessing ever be our purpose for existence.

Respectfully submitted,
Mrs. W. Elvin Jones, Superintendent

Acceptance of New Churches

Ralph Cannon presented Knollwood Baptist Church and Morning Star Baptist Church. Both were accepted into full fellowship.

Report of the Missions Committee

The Missions Committee of the Pilot Mountain Baptist Association makes the following recommendations:

1. That the Knollwood Baptist Church, which made application last year to the association, be accepted into full fellowship with the Pilot Mountain Baptist Association.

2. That the Morning Star Baptist Church, which made application last year, be accepted into full fellowship with the Pilot Mountain Baptist Association, and that, if any need should arise, that they would feel free to call on our missionary to help them in any way they deem necessary to develop a full program.

3. That the recommendation from the Missions Committee in regard to Wake Forest Baptist Church, be presented by the Rev. W. E. Pettit, pastor of Ardmore Baptist Church, who is chairman of a sub-committee, which worked with members of the Wake Forest Baptist Church to draw up the following recommendation.

Respectfully submitted,
Ralph L. Cannon, Chairman
V. Manley Bennett, Secretary
(Approved)

A special committee then reported on the Wake Forest College Baptist Church. W. E. Pettit was recognized for this special report.

Recommendation From Missions Committee

We, the Missions Committee of the Pilot Mountain Baptist Association, recommend:

That the Wake Forest Baptist Church be received into full fellowship with the Pilot Mountain Baptist Association. In so doing we also wish to re-affirm our disfavor toward the practice of associate membership in our Baptist churches. We furthermore in brotherly love prayerfully request the Wake Forest Baptist Church to change their terminology in such a way as to minister to those involved through a watchcare relationship instead of associate membership.

(Approved)

Dr. Ralph Herring spoke briefly on this report after which the church was accepted into the fellowship of the association.

Report on the Biblical Recorder and other Christian Literature

1958 Report on Biblical Recorder and Other Baptist Literature

The contacts, impressions and surroundings of a person largely make up his mind, habits and actions. Even a worm takes on the color of the plant or leaf on which it feeds. Human beings take on the color and nature of what they read. Never before has there been so much to read. Publishers have dressed up their wares in rainbow colors, and used every style, trick and art of printing to make their publications look tempting to the eyes of young and old. Much of this popular literature is bad. It pours like a stream of poison from the presses of profit-hungry publishers. It loads down the news stands, and clogs the mail-boxes of all who will buy and receive it. Much of this unclean reading matter gets into Baptist homes. This should never be, for no other denomination has so wide a variety of good Christian literature as Baptists have, to meet the spiritual interests and needs of every member of the family.

How much sound, clean Christian literature comes into your home each week to lift up, inspire, and enrich the minds and hearts of your family? Is your Baptist state paper coming by mail into your home each week? Is your mail-box getting only that which is good and wholesome to read? Is your reading table a silent witness to your Baptist faith and practice, or is it cluttered with much that carries the seeds of evil on the printed page? Do you always remember that Christian literature aims to enlist, unify, teach and inspire people for nobler Christian service?

When North Carolina Baptists organized themselves in 1830, Thomas Meredith, appointed by the body to send out a letter stating its purposes, said: "The Convention was organized for the purpose primarily, of giving the Gospel to North Carolina, and then to all the world." The Constitution of the Convention soon afterward stated that its main purpose was "The promotion of missions, Christian education, social service, and the distribution of sound Christian literature." The BIBLICAL RECORDER was founded in 1833, to help carry out these noble aims. For 125 years, it has borne the Baptist message in North Carolina. By careful planning, and with the fine cooperation of pastors and their people over the State, we have had a good year in general, with circulation approximately 61,000 and growing.

The RECORDER has three subscription plans: Single subscription is $2.50 a year. The Club Plan, with 4 or more subscriptions, is $2.00 a year. The Every-Family Plan, with one subscription to each resident family or home in the church, is only $1.50 a year. Pastors, RECORDER representatives in the churches, and others have been faithful in securing renewals and new subscribers, and we wish to thank them for their fine service. Our General Secretary, State workers, associational missionaries and others have given their continued interest and support in promotion of wider circulation. We wish to express our thanks to them.

We sincerely urge all pastors, associational workers, Sunday School superintendents and officers, State workers, Training Union, Brotherhood, W. M. U. members and others to promote in every possible way the Every-Family Plan or at least a good-sized RECORDER club in every church. The Baptist paper ought to go into every Baptist home.

The RECORDER and its staff members seek to be of every possible service to North Carolina Baptists. Remember us in your prayers; call on us for any service we can render. We want to be faithful to our task; that the RECORDER may be a true and faithful witness every week in every Baptist home and community. We must all work together in the will of God as we strive to promote every worthy cause and object dear to the hearts of North Carolina Baptist people.

Respectfully submitted,

Report on Baptist Children's Homes

Administrative Changes and Expansion of Services Noted

June 30, 1958, marked the culmination of 15 years of progressive leadership by W. C. Reed with the Baptist Children's Homes of North Carolina. After serving as Superintendent of Kennedy Home for seven years, Mr. Reed moved to Thomasville where he served as General Superintendent for eight years. Under his supervision the Children's

Homes experienced one of their greatest periods of building, growth, and expansion of services. At present North Carolina Baptists probably provide more services for dependent children than any other similar group in America. Those associated with our child care program have, in the 73 years of its history, developed a program which is recognized as one of the best in the nation.

Dr. W. R. Wagoner, of North Wilkesboro, was elected by the trustees to succeed Mr. Reed. Dr. Wagoner assumed his duties July 1.

Another Year of Progress

The year 1957-58 has been a fruitful one in expanding services. Since October 1, 1957, North Carolina Baptists have directly served a grand total of 753 children. In addition to these, our social workers have been able to place with relatives or other agencies more than 200 children where their needs are now being met. Each application has been investigated by our case workers. During the past year we were able to admit about one-fourth of the applicants as compared with one-fifth admitted in 1956. Through the dedicated resourcefulness of our social workers, many homes were re-established while others were saved from breaking.

Indian Orphanage Now Our Responsibility

Last year's report pointed up the need for expanding our Foster Homes and for the care of the Indian children at Pembroke. The Baptist State Convention at its annual meeting last November voted unanimously to accept the recommendation of the Board of Trustees of the Baptist Children's Homes and to make the Odum Home at Pembroke a part of the North Carolina Baptist Child Care Program. This work, with 16 children, has been under the care and support of your Homes since January, 1958. Money has been set aside to build a new cottage at Pembroke for the Indian children. We are now working to get a clear title to the land. When that is done, we will move rapidly to erect the building.

Financing An Expanding Program of Child Care

North Carolina Baptists have two sources for supporting the Children's Homes:

SOURCE NUMBER 1 is a combination of the Once-A-Month Offering and the Cooperative Program. Through this plan the Homes receive a fixed amount. This cannot be increased or decreased except by vote of the Convention.

SOURCE NUMBER II is the Thanksgiving Offering. Every dollar marked "Thanksgiving Offering" comes to the Children's Homes. Last year we asked for an increase of 10 per cent in the Thanksgiving Offering. The churches responded with a 15 per cent increase. This increase of $31,000 enabled us to support the Indian work at Pembroke and at the same time to considerably expand the Foster Home Program. We have confidence that North Carolina Baptists will continue to remember deserving children at Thanksgiving with a generous offering.

The afternoon session adjourned at 3:30 to reconvene at 7:30.

Troy Hamrick, Moderator, Presiding

The second day of the Association started on time, 9:30, with Song, Scripture and Prayer.

Dr. Ralph Herring had charge of the devotional period.

Relief and Annuity Board report was presented by Dr. Ronald Wall.

Report on the Relief and Annuity Board

On July 1, 1958, there were 933 North Carolina ministers in the Ministers' Retirement Plan or the Southern Baptist Protection Plan representing 1067 churches. In the Southern Baptist Convention at the same date there were 17,670 persons in all the plans operated by the Board. It is interesting to note that the average age of retirement during the first six months of 1958 was 66.9.

On June 30, 1958, there were 1,350 on the relief rolls. During the first six months of 1958 about $123,000 was disbursed for relief.

The Relief and Annuity Board is in a very sound condition. Receipts for the first six months of this year amounted to over five and one-half million dollars. Total assets of the Board as of June 30 were $59,586,159.72, an increase of over seven million dollars over the preceding year. All of these funds are *reserved* for the benefit of members of the various plans.

Every minister who is not in the Southern Baptist Protection Plan should write to the Board in Dallas, Texas, and get full details.

Respectfully submitted,
Ronald E. Wall

Committee of 25 Report

Rev. L. H. Hollingsworth, pastor of the First Baptist Church of Boone and also Chairmman of the General Board, gave a brief report on this very important committee and the impact this committee report would make upon Baptist work in the State Convention.

Recognition of Visitors—Miscellaneous Business

A number of visitors were recognized and no business was brought up at this time.

Forsyth Baptist Missionary Fellowship

Walter Warfford, Chairman of the Interracial Committee made a brief talk and introduced Jenius Dudley who gave a report.

Forsyth Missionary Baptist Fellowship

The department of Negro Work of our Baptist Home Mission Board is a comparatively new undertaking. We are proud of the accomplishments in this field of Interracial cooperation.

We have experienced here in our association some of the fruits of this department. It was this department of Negro work of the Home Mission Board which gave us the inspiration and vision for such an undertaking in the area of the Pilot Mountain Baptist Association. As a result, the Forsyth Missionary Baptist Fellowshiup was formed.

The work of the fellowship has gone forward through the years of its existence here. It has provided a ministry in this field which has been beneficial to all concerned. It has provided the framework for better understanding and cooperation among Baptists in general in this area. It provides the opportunity for the wider fellowship of all Baptist churches in the work of our Lord and the common objectives of our missionary and evangelistic endeavor. It is significant that we can harmoniously work together in a great Simultaneous Evangelistic crusade, and show the spirit of cooperation along other lines.

Our most significant new undertaking was experienced last February when for five nights we held the first Interracial Institute ever held in North Carolina. This Institute proved stimulating and helpful to all who attended. We plan another such institute this year, and we hope its ministry will be on a larger plane of interracial interest.

Let us pray that we may have the mind of Christ and his spirit as we seek in the spirit of Christian love and understanding to go forward in this field in spite of the tensions of our day. The church must lead the way in helping to find a solution to many of the barriers we face today in the field of interracial cooperation and understanding.

Respectfully submitted,
Walter L. Warfford

W. R. Grigg, Secretary of the State Interracial Program, brought an address stressing, The Three Needs among White and Negro Baptists.

1. Need to understand each other.
2. Need to reach lost people.
3. Need for strengthening all the churches.

P. O. A. U. Report:

American Bible Society Report

Southern Baptist plans for the Baptist Jubilee Advance, 1959-1965, remind us that

In every missionary advance the Bible goes forward first!

The Bible is a "must" in missions and evangelism. If the people of the world are to know Jesus Christ, the one hope of men and nations, they must have the Bible. It is the one basic source of knowledge of Him. The Bible is the missionary's chief tool; he uses it in all his work. The Bible itself is a missionary. It can go where the human missionary cannot go. It can stay when he must leave—and keep on speaking to a person's heart.

Every man must have the Bible in his own language, but in most countries the people cannot afford even the cost of printing the Scriptures.

The *American Bible Society* helps to *translate* the Bible, *publishes* without note or comment and distributes without profit, usually below cost, for worldwide mission work. For the Blind, it supplies Scriptures, at a small fraction of cost, in raised-letter systems and on Talking Book records. The Bible Society is an active partner of Southern Baptists and serves every form of Southern Baptist mission work at home and abroad.

During 1957 the American Bible Society—

—distributed throughout the world nearly *15 million volumes of Scriptures.*

—donated more than one million Scripture volumes for distribution by Chaplains to our Armed Forces, as a vital link between the home churches and the men in service.

—introduced the Finger Phono, a new feather-weight plastic phonograph, operated by one finger. These are being supplied, with Scripture recordings in the languages needed, in areas where very few people can read. They are now in use among the Navaho Indians in the U.S.A. and in various parts of Africa and Asia.

—accepted a new joint responsibility, with the British and Foreign Bible Society, for the work in India, in France and in the Congo Basin of Africa. In India, the Bible Societies are undertaking to provide in the next 5 years, a New Testament for every Christian who can read and a Gospel for every non-Christian who can read; this will require 90 million Scripture volumes in 5 years for India alone!

Southern Baptists Support the Work

Because the Bible Society serves mission work—and because Southern Baptist missionaries depend on the Society for Scriptures they need for distribution to their people—Southern Baptist churches give to the American Bible Society.

In 1957, Southern Baptist churches gave *$118,815 to the American* Bible Society—but still stood in second place, exceeded by Methodist gifts of $136,499.

The help of every Southern Baptist church is needed. Has your church given this year? Here are suggestions, based on what many churches are doing:

Every church can give *at least* these amounts *each year:*

Country and village churches	$ 10 to $ 25
Churches in small cities	$ 25 to $100
Larger churches	$100 to $200
Great city churches	$200 to $500 or more

Please send gifts to your Baptist state office marked "for the American Bible Society."

Christian Education

Dr. M. H. Kindall of Mars Hill College brought a brief report on our colleges.

Mrs. McGee, State W. M. U. President was recognized. Guy Cain, one of our State workers recognized.

Hymn by the congregation.

Two reports were moved up from the afternoon program to this time.

Report on Evangelism

We are happy to report a very good year in the number of revivals. All of our churches had one or more revivals during the year, reporting encouraging results—yet this phase of our work is not what it ought to be. Winning the lost to Christ is the primary business of the Church. Our Lord said, "as my Father hath sent me into the world even so send I you into the world," and Jesus also said, "I came to seek and to save the lost." This is a perennial task—Yet there are times when it is needful and profitable for all of us to join together in a united effort, such a program is being planned for 1959; April 12-26 is the date for our section of the State. We urge every church in our Association to plan to be in this Simultaneous Crusade. Committee Chairman were elected by the General Board in the June Meeting. All the committees have been completed and are at work planning for this united effort to win the lost in our Association to a saving knowledge of the Lord Jesus Christ. Any service your committee on evangelism can render call on us.

Respectfully submitted,
R. E. Adams, Chairman

Report of SBC Convention Committee On Church Related Vocations

James P. Morgan, our North Carolina Training Union Secretary, recently mailed to the Baptist pastors of our State a letter, stating some critical challenges.

He stated:

"One of the most urgent matters facing us now is the critical shortage of Church-Related Vocational workers.

Our Foreign Mission Board is not meeting its current requirements for new missionaries. . . .

Our local churches are in urgent need NOW of more than 4,000 staff members who are not to be had. . . .

Our seminaries are graduating only about 3/4 of our current needs for pastors. . . .

Our 30,000 Movement looks forward to establishing preaching stations, missions, and new churches—30,000 in number. . . .

WHO WILL MAN THESE STATIONS?

In view of these facts you will recall that the Southern Baptist Convention appointed a committee to look into this situation and suggest what could be done to turn the interest of our young people to these needs and their commitment to a Church-Related Vocation.

As a result of this survey, the Sunday School Board was asked to employ a full-time Church-Related Vocations Counsellor. Rev. John Tubbs accepted this responsibility and is directing this program vigorously.

Those of us who believe that the Holy Spirit calls folk into Church-Related vocations are naturally somewhat reluctant to encourage too much of a human program along these lines, lest a person be tempted to choose such a calling rather than be chosen of God and called to such service.

We would do well to remember, however, that our Saviour Himself said,

"The harvest truly is great, but the labourers are few: pray ye therefore the Lord of the harvest, that he would send forth labourers into his harvest." Luke 10:2

The Lord sends them forth, but we are enjoined to pray that this shall be. We have a responsibility in helping to prepare the hearts and minds and wills of young people to be receptive, informed, responsive if the Holy Spirit should call them to some Church-Related Vocation.

In Romans 10, we read:

"Whosoever shall call upon the name of the Lord shall be saved . . . and how shall they hear without a preacher?" Romans 10:13,14b

We are not preparing the way for the Spirit to call enough folk into Church-Related service to serve our present needs here and abroad. Certainly we pray and work for the day when many more missionaries may go than we now send. We seek to establish 30,000 new churches—Let us catch the vision of this need and busy ourselves while there is time.

What can we do?

1. Mail the names and addresses of persons in your church who have felt the call to Church-Related vocations to:

John M. Tubbs, Church-Related Vocations Counselor, 127 Ninth Avenue, North Nashville 3, Tennessee.

Mr. Tubbs will then begin to mail to such persons helpful materials of guidance which are calculated to encourage more such folk to persevere until they have adequately prepared themselves for the work to which God has called them.

2. Pray earnestly and repeatedly and lead your church so to pray that young people respond. Let us lead the parents in our churches so to pray and encourage their children also to respond to God's call.

3. Work into Youth Week or some special emphasis information and inspiration through sermon, Sunday School, Training Union, W. M. U. auxiliaries which might often bring these matters to the attention of our young people.

4. Encourage young people to attend our Assemblies and Ridgecrest at which places the Spirit might further lead them in vocational matters.

5. Take time with your young people personally to talk over with them how God wishes them to use their lives. Let us keep stressing that EVERY born again Christian ought to be in full time Christian service—whether such service is in a Church-Related vocation or not.

6. Let us guide our young people when they come forward to commit themselves to such service that they may know that God often

leads step by step and that the first and basic prerequisite is that they shall say to Christ sincerely, "I'll be what you want me to be."

7. Take every young person and those who work with your young people you possibly can encourage to go and attend the regional conference on vocational Guidance being promoted tomorrow night (October 23) at First, Greensboro. The program begins at 7 p.m. Mr. Tubbs, Dr. Allan Graves, missionary representatives and folk who can guide in vocational choice other than in Church-Related fields will be there.

8. As materials in this field continue to become available from our Sunday School Board see that your young people have them and can study such materials. If you attend the conferences on these matters, you can acquire many helpful pamphlets.

When was the last time any young person in your church committed himself or herself to a Church-Related vocation? Let us make sure we are doing all in our power to prepare the way for the call of God to His service.

J. R. Noffsinger

IN MEMORIAM

We pause here to pay tribute to those of our fellow Christians and comrades, who since our last meeting, have departed this life.

We urge the Clerk of our Association to have inscribed on the pages of our minutes the names of all that have gone home to God.

What better language could be made use of on this occasion than the beautiful words of the poet who said:

"Servants of God well done!
Thy glorious warfare's past,
The battle's fought, the race is won,
And thou art crowned at last."

Respectfully submitted,

Annual Meeting

WOMAN'S MISSIONARY UNION

of the

PILOT MOUNTAIN BAPTIST ASSOCIATION

Winston-Salem, N. C.

Mrs. W. Elvin Jones, Superintendent, Presiding
Theme: "Ye Shall Be Witnesses"

The annual meeting of the Woman's Missionary Union of the Pilot Mountain Baptist Association was held on April 9, 1958, with the North Winston Baptist Church, with Mrs. W. Elvin Jones, Superintendent, presiding.

The meeting opened with the singing of the hymn "We've a Story to Tell."

"Women Witnesses" devotional meditation was conducted by Mrs. M. E. Wilson, Associate Regional Superintendent of the Greensboro Region. With bowed heads, Mrs. Wilson asked those present to remember in special prayer Missionaries over the world, Associational leaders, State leaders, visiting speakers, program of work in general; Mrs. Wilson closing the season of prayer.

Mr. Ramon Kiser, Minister of Music at Ardmore Baptist Church, sang very beautifully "God of Grace, God of Glory."

The morning business session was opened with motion by Mrs. T. L. Williams that registered delegates of the day constitute governing body for the meeting, and Mrs. Ralph Cannon made motion that the printed program be the order of business. Both motions carried.

Miss Ruth Williams, Associational Missionary, conducted a roll call of churches, with delegates from those churches standing.

Mrs. Jones welcomed the following special guests:

Mr. Ramon Kiser, Minister of Music, Ardmore Baptist Church
Mrs. E. L. Bodenheimer, Greensboro Regional Stewardship Chairman
Mrs. W. K. McGee, North Carolina State W. M. U. President
Miss Barbara Rodman, N. C. State Girls' Auxiliary Director
Miss Allegra LaPrairie, Home Missionary from Louisiana
Rev. Lewis Ludlum, Pilot Mountain Association Missionary
Mrs. M. E. Wilson, Associate Greensboro Regional Superintendent

Pastors: Dr. R. E. Wall, North Winston; Rev. W. L. Warfford, North Winston; Rev. M. E. Manuel, Grapevine; Rev. Floyd Ellis, Oaklawn; Dr. Avery Church, Waughtown

Pages: Miss Sue Ellen Fagg, North Winston; G. A. Queen, Miss Martha Alice Gough, North Winston; G. A. Queen

Mrs. Jones also recognized honor organizations as follows: WMS of College Park Baptist Church, and Junior G. A. of Konnoak Baptist Church.

Mrs. W. K. McGee, State WMU President, was recognized to make an announcement regarding the Langor Bill prohibiting advertising of alcoholic beverages in buses, planes, trains, magazines, etc. Hearing on this bill to be held on Tuesday, April 22, at 10:00 a.m. Mrs. McGee had forms to be signed protesting this advertising. She urged that everyone sign these petitions supporting this bill.

Mrs. Jones appointed the following committees:

Time and Place: Mrs. Charles Hastings, Kernersville, Mrs. T. R. Sneed, Antioch, Mrs. Roy Young, Hawthorne Road, Mrs. Claxton Hall, Pilot Mountain.

Appreciation: Mrs. J. M. Kesler, Chairman, First Baptist, Mrs. C. H. Stanfield, Peters Creek, Mrs. James Mitchell, Knollwood

Nominating: Mrs. Henry Whitaker, Konnoak; Mrs. Beverly Sullivan, Jr., First Baptist; Mrs. Robert Allen, College Park; Mrs. Howard Beard, Rural Hall; Mrs. L. J. Matthews, Konnoak; Mrs. M. H. Veach, Southside; Mrs. Manley Bennett, Union Grove; Mrs. Elmer Piper, Calvary.

Mrs. Jones introduced Mrs. C. O. Fagg, First Vice President of the North Winston WMU who extended cordial welcome to the delegates and made some announcements concerning the day's activities.

Mrs. Williams, Treasurer, called attention to copies of the Treasurer's report which had been given to each one present. Miss Ruth Williams gave a report on Camp Retreat for last summer, stating that a total of 420 Sunbeams, G. A.'s and R. A.'s attended the Camp, with 33 churches and 3 missions represented. There were 36 professions of faith during the Camping period.

The following made talks on "The Work of Witnessing":

Witnessing is Caring—Mrs. Ralph Cannon, Mission Study Chairman asked the question: Are we satisfied with our W. M. U.? She stated that the remedy for our Societies is to: (a) inform our women about the fields of our missionary endeavors and needs of these fields: (b) to have more and better mission study classes: (c) arouse more concern among our women for these fields and the needs. She stated that only 1,330 women read a book the past year on missions with an enrollment of nearly 4,000 women in our WMU work in this Association.

Intercessory Prayer is Witnessing—Mrs. J. E. Marion, Prayer Chairman, stated that we must have more concern and compassion for the lost of the World, and realize that our power comes from the Lord. Mrs. J. T. McRae, returned missionary, led in prayer that we might have a deeper concern for the lost of the world. Prayer deals directly with God, and when we pray sincerely, God works. The greatest sin of the church today is prayerlessness. There were only 5 Intercessory Prayer Groups in the Association this past year. However, more organizations observed Seasons of Prayer this past year.

Witnessing Where We Are—Mrs. J. A. Reddick, Community Missions Chairman stated that to witness to others effectively, we must strengthen our own lives through individual effort in soul-winning. Only 23 out of the 65 organizations reported any efforts in soul-winning last year.

The Testimony of the Tithe—"Will a man rob God"—Mrs. C. O. Fagg, Stewardship Co-Chairman, stated that only one-third of the members of the Pilot Mountain Associational W. M. U. are tithers . . . only 1 out of 3 found to be faithful. Many urgent requests coming from our missionaries have to be denied because of our lack of faith in claiming the promises of God.

Witness With Us—Mrs. Jones, Superintendent, stated that sometimes faithful members of our W. M. U. may become so concerned with the problems of the foreign fiields, that they fail to see the needs right beside them. Also many feel that all they are required to be is give of their money. Twelve of our churches do not have any missionary organizations. Christ died for all, but the tensions we live among today, cause us to often show very unchristian attitudes.

Mrs. C. O. Matthews, Associate Superintendent, conducted a panel discussion on "This Is How We Did It," with the following members: Mrs. W. W. Wagner of Waughton talking on Focus Week, telling how their WMS observed WMU Focus Week this year; Mrs. J. Thomas Cook of Clemmons telling how their WMS observed the Seasons of Prayer this year; Mrs. C. C. Fagg of North Winston talking on WMU Committee Meetings, how to make them really effective; Mrs. Wesley Livengood of Ardmore telling how they made their Mission Study Classes interesting enough for the women to really want to come.

Hymn: "Take My Life, and Let It Be."

The Winning Ways of Youth—Mrs. Jones introduced Miss Barbara Rodman, Girls' Auxiliary Director for N. C. Woman's Missionary Union. Miss Rodman opened her talk with prayer. She named several characteristics necessary to be an effective Christian Witness, telling many instances of problems facing our young people today. She urged that WMS members be willing to take necessary time to counsel with our young people in our churches, advising them when advice is sought—she especially urged leaders of the young people's organizations to be on the lookout for opportunities to be of help to these young people. She stressed attendance at all special weeks during the summer months for these leaders as well as helping the young people to attend.

Mrs. Fagg made announcements concerning the lunch, and Rev. Lewis Ludlum closed the morning session with prayer.

Afternoon Session

Hymn "Lead On, O King Eternal" opened the afternoon session of the day's meeting. Mrs. S. L. Bodenheimer led in prayer.

During the business session, Mrs. Jones called on Mrs. C. C. Matthews, Associate Superintendent, to present the revised Constitution for consideration. Copies of the Constitution were distributed, and Mrs. Matthews read it through. After discussion regarding changes, Mrs. Matthews moved the adoption of this revised Constitution. Mrs. W. K. McGee seconded the motion, and it was carried.

Mrs. Jones called for report from the various committee as follows:

Time and Place—Mrs. Charles Hastings, Chairman, presented invitation from Antioch Baptist Church for next year's meeting, which was gratefully accepted.

Appreciation—Mrs. J. M. Kesler, Chairman, read the following from the Committee: "In gratitude for the blessings of God and for His loving guidance during the past year.

First: **Be It Resolved:** That we express to the North Winston Baptist Church our sincere appreciation for the privilege of meeting here today. That we thank in a very heart-felt way, Mrs. Warfford and Mrs. Fagg and all the ladies of the church for being such gracious hostesses. That we especially express appreciation to the two Pastors, Dr. Wall and Rev. Warfford, for their presence here today and for their helpful participation in our meeting.

Second: **Be It Resolved:** That we acknowledge with gratitude the work of the Program Committee and other Committees who used must forethought and discretion in their planning for our needs, and who brought to our gathering, those who would strengthen our thinking and serving. To these speakers, we are deeply grateful for the sacrifices made in coming, and for the messages that will give renewed inspiration and direction to our endeavors.

Third: **Be It Resolved:** That we recognize, with sincere appreciation, the wise guidance and untiring efforts of our Associational Officers, and that to Mrs. Jones we especially express our genuine gratitude.

Fourth: **Be It Resolved:** That we pledge anew ourselves, our energies, and our loyalties to the challenging and ever-broadening task that is ours."

Mrs. McGee led in a dedicatory prayer.

Mr. Kenneth Foster of the North Winston Choir sang very beautifully, "The Love of God," accompanied by Miss Carolyn Byers, Minister of Music at North Winston. She served as organist for the entire day.

Mrs. Jones introduced Mrs. Allegra LaPrairie of New Orleans, La., Home Mission Board missionary. Mrs. LaPrairie is in charge of the home in New Orleans operated by the Southern Baptist Convention for unwed mothers. She stated that it is hard to accept this particular type of trouble because we are ashamed of it, but it is happening in the homes of some of our most prominent leaders as well as the homes of the underprivileged, and she also stated that we must look again at our attitudes, because, "all have sinned and fall short of the glory of God." She told of many instances where the Home has greatly helped the girls who came there seeking a home when they had no other place to go.

Report of the Missions Committee to General Board

1. The Missions Committee has made studies or partial studies of about ten sites for new churches or missions. But due to the lack of funds the Missions Committee has a recommendation which has been approved by the Finance Committee, which it wishes to make to the General Board.

The Second Recommendation:

The Peace Haven Road Baptist Church has been making a study with the help of the Assn. leaders and the Missions Committee relative to the right location in the Peace Haven Community. The Property at the right place is high indeed but the committee feels that it pays to be well located. Therefore the committee recommends that the Assn. buy one lot and give to the Peace Haven Church. At a cost of $4,900.00 to be paid over a given period of time. This mission is sponsored by the South Fork and the Clemmons Baptist Churches.

For Information:

2. On April 7, 1959 a group appeared before the Missions Committee, which was headed by Mr. Edwards and stated that a group of Baptists, around 100 in number wanted to start a church in the West Section of the city and the Church would be known as the West View Baptist Church. Mr. Edwards stated that they wanted to cooperate with the Pilot Mt. Assn. and the group wanted to know if we would work with them. A motion was made that we appoint a committee to work with them. And on May 12 the church was organized and Mr. Manley Bennett and other Members of the Missions Committee were present.

3. On April 7th Dr. Elmer Piper stated that the Woodland Baptist Church had started a mission in the down town area and that they wanted to be part of the Pilot Mt. Assn. The Committee assured them that we would be glad to work with Brother Zeno Groce and the Woodland Mission.

4. The Missions Committee wishes to commend Brother Manley Bennett and the Oak Grove Baptist Church in the fine work which they have done in the Oak Ridge Community. With a heavy debt on their own building the Pastor and Mother church backed the Oak Ridge Baptist Mission and the Oak Ridge Mission held open house on June 14th for the first unit of the Church building. This is one of the finest works that we have seen. The Cost of the first unit was around $20,000.

Report of the Missions Committee to the Pilot Mt. Association

The Missions Committee had a meeting each month and several call meetings during the year. The larger committee was broken down into 5 sub-committees, and specific projects were assigned to the sub-committees. The Committee studied 10 mission locations during the past year, and the need of money for purchasing church lots is much greater than we can meet. The committee recommended that the Association try to raise $6,000 beyond our schedule per year through 1964. This would help us to come to the aid of many new churches which are trying to get established.

During the past year, the Missions Committee helped the following churches in the purchase of church lots: Becks, $1,200; Peace Haven Rd., $1,375; Oak Ridge Mission, $400; Union Cross Mission, $200; Westview Baptist Church, $500; White Road Church, $1,000; a total of $4,675. We are grateful for the many churches which are sponsoring a mission in part or totally. For example, South Fork and Clemmons are helping to carry the load at Peace Haven Baptist Chapel. The following churches are supporting a mission individually: Becks, First Baptist, Ardmore, North Winston, Waughtown, Union Ridge, Southside. We expect to have 4 churches to apply for admission into the association this year.

We urge every church in the Association to have a part in our mission program by either a Builders' Club, designated amount in the budget, special offerings, multiple sponsorship, or to support a mission individually. The Committee is grateful to Konnoak Church, not only for its fine contribution through the Associational budget, but for the $2,000 which they gave to help us start new work. The committee is working with the Home Mission Board to have a School of Missions in Nov., 1961. We have a wonderful spirit in our new church work, and we wish to commend Mr. Ludlum and Miss Ruth Williams for the fine work they are doing in our association.

Respectfully submitted,
Ralph L. Cannon, Chairman
Harry Goble, Secretary

Following the report Lewis Ludlum presented Ruth Williams his co-worker who gave a run down on meetings attended during the year. Lewis Ludlum closed the period by evaluating the work of the year.

The Moderator called for the next part on the program.

H. Grady Miller led the congregation in a hymn, "I am Thine O Lord."

Treasurers Report.

In the absence of Mrs. Lewis, Manley Bennett, Chairman of the finance committee brought a brief report as to the finances of the Association. (These reports will be found back in the Clerk's Digest of the General Board's Report.)

He then presented the proposed budget for the coming year and challenged the churches to meet these financial goals.

Richard Everhart made a motion that Ruth Williams be given a $600.00 raise in salary bringing this item up to $3,600 instead of the $3000.00 now in the budget. Dr. Wall seconded the motion. (carried)

Report of Camp Committee—Summer, 1959

"Teaching them to observe all things whatsoever I have commanded you." Matt. 28:20

Your Camp Committee is happy indeed to report progress in every phase of our Camping Program for the summer of 1959.

We were fortunate again to have Mr. Wilson Norwood as General Director of our Camp Program for the six weeks during the summer. Working with him were Mr. G. L. Casey, Mr. and Mrs. Douglas Clark, Miss Edith Berry, Miss Nancy Ludlum, Mrs. John Huff, and Mr. Sam Robinson, Jr.

In addition to a very fine program directed by the staff, we were fortunate indeed to have eleven missionaries and missionary speakers during the season. Among them were Dr. Charles A. Leonard, Manchuria, Rev. Thomas O. High, Nigeria, Mrs. John Oliver, Brazil, Rev. James B. Kirk, Brazil, Rev. Keith Parks, Indonesia and Miss Thelma Williams, Hong Kong.

Eight of our ministers served as camp pastors.

Two hundred and fifty one boys and girls of Junior and Intermediate age attended camp. These came from forty seven of our churches. Twenty six of them made public profession of their faith in Christ. One hundred and fifty seven Sunbeams, with their leaders, from many of our churches attended "Day Camp," making a total 408 campers for the season.

Five of our Associational organizations used the camp and camp facilities for weekend conferences.

Twenty one churches in our Association used the camp for special group meetings.

We believe that your camp and camping program deserves both, the spiritual and financial support of every Baptist in our Association. Its ministry will be measured alone by our vision, our prayers and our support.

Respectfully submitted,
J. M. Johnson, Chairman

Forward Program of Church Finance presented by Edward Collett of the First Baptist Church of Winston-Salem.

A period of Miscellaneous Business followed.

J. M. Johnson made a motion that the names sent in by the churches be accepted as members of the General Board. (Approved)

Christian Social Services.

Three five minute reports were presented as follows:

Children's Home	Vernon Sparrow
Home of Aging	Ralph Cannon
Baptist Hospital	Glen Swaim

Dr. O. T. Binkley brought the morning session to a close with a message: "The Compassionate Ministry of Jesus."

Lunch was served by the host church.

Report of Baptist Children's Homes (1959)

North Carolina Baptists have shown remarkable interest in their Children's Homes during the past year. Numerous church groups have visited the three campuses. Continued financial support has been encouraging. Awakened interest in your Child Care program has been evidenced in many respects.

CHILDREN SERVED

More than 1,000 boys and girls were served by the Children's Homes during the past year. Mill's Home, Kennedy Home, and Odum Home provided care for 547 children while 197 lived in Foster Homes. Through financial assistance of the Mother's Aid program 40 children were able to live with their mothers. Supervision and financial help were afforded 30 college students. Resourceful case workers assisted 214 additional children to find homes with relatives and other social service agencies.

COTTAGE CONSTRUCTION

Three cottages are currently under construction—one at each of the three Homes. The Roy Culler family of High Point is providing funds for a boys' cottage at Mills Home. The H. C. Ferebee family of Camden is making possible a cottage for girls at Kennedy Home. The new cottage at Pembroke will provide administrative offices, living accommodations as well as kitchen and dining facilities for the Indian boys and girls.

ADMINISTRATIVE CHANGE

Mr. Vernon S. Sparrow became Superintendent at Mills Home, Thomasville, July 1, 1959. He comes to this post with an excellent background of training and experience. Prior to Mr. Sparrow's going to Mills Home he served as Associate Pastor and Minister of Education in the First Baptist Church of Lenoir.

MORE ADEQUATE FINANCIAL SUPPORT

The Convention has voted to bring the Children's Homes into the Cooperative Program on the same basis as all other institutions and objects. Churches may continue to send Once-A-Month offerings and special gifts. Designated gifts from Churches to the Children's Homes will be administered by the Convention in the same manner as designated gifts from churches to other institutions. The Homes are encouraged with this improved financial relationship with the Convention. For lack of sufficient income the Homes operated on a $22,000 deficit in 1958. The deficit for 1959 will be approximately $65,000. The only way the Homes have of meeting the $65,000 deficit this year is through a substantial increase in the Thanksgiving Offering.

Report of North Carolina Baptist Homes For Aging

"Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me." (Matthew 25:40)

The ninth year of operation of the Baptist Homes for Aging began March 16, 1959. All three of the Homes—*Resthaven, Albemarle,* and *Headquarters*—have had a good year, and have been filled to capacity —119, counting residents and helpers. When vacancies occur, there are always more applications on the waiting list than rooms to be filled.

This has been another year of God's favor upon the Homes and of encouraging progress. While the campaign to raise funds to build the fourth Home in Eastern Carolina, at Hamilton, has not been completed, yet there is good reason to believe that the money will be secured this year and construction will begin. Mr. Don G. Matthews, of *Hamilton, has given the land for the site, and most of the $50,000* which he promised. He is ready to give the balance when the extra $100,000 has been raised. With reorganization of plans and persistent effort, the balance needed can and will be forthcoming.

The construction of the *Infirmary Annex,* which will *give 28 additional bedrooms* and some utility rooms, is getting underway. The contractor, R. K. Stewart & Son of High Point, has been selected. Order for structural steel has been placed, and the work should progress as rapidly as possible. The estimated cost of the Infirmary *Annex is $193,035.*

A Special Day Offering of $175,000 in February, 1960, will help to meet infirmary cost, and continue to give financial help to residents who need aid.

Report on North Carolina Baptist Hospital

Our Baptist Hospital seeks to serve our people with a complete program of specialized medical care for all who need it. Our people go in great numbers, with all types of serious illness, from all walks of life, and in all financial circumstances, to receive the ministry of our Baptist medical center. A constant effort is made to keep it personal and Christian in its care of sick people.

Last year Service Patients from 95 counties of the State made over 66,000 visits to the 31 clinics of the Out-Patient Department, which is open to families not able to pay the full cost of their medical care. About the same number of office visits was made by Private or full-pay patients. More than 16,000 sick persons were hospitalized for 132,000 days of bed care.

Last year the hospital spent well over one million dollars in the care of these Service Patients. *The Mother's Day Fund,* along with the *welfare funds* and assistance from *other agencies* and *foundations,* enables the hospital to provide more than half of this *service free* for our very poor people. The Mother's Day Fund alone, however, has not covered the full cost of the care of even the most needy.

We need to lay upon the hearts of our members the necssity of the Mother's Day Fund, if our Baptist Hospital is to provide this important service for our poorer people.

SHARE AND CARE FOR THE NEEDY SICK.

Move to accept.

Life Service Fellowship Report
Year 1958-1959

The Life Service Fellowship of the Pilot Mountain Baptist Association had its annual retreat at Camp Retreat the afternoons of August 15 and August 16. There were about forty-five people who either attended part or all of the weekend Retreat. Graydon Hudspeth, the President of the Fellowship, presided.

The program for the weekend was planned to inform the Young People about some of the different Christian vocations and to encourage them to search their hearts to find Christ's leadership in their choice of their vocations. Throughout the Retreat, those who took part on the program laid special emphasis upon thorough preparation once a vocation was chosen.

On Saturday afternoon the program was led by Mr. Grady Miller, a Minister of Music; Mr. Cliff Elkins, a Minister of Education; and Miss Louise Royston, a Director of Children's Work. Each worker discussed his own vocation, and a question and answer period followed. Miss Thelma Williams, Missionary to Hong Kong, brought a special Foreign Missions emphasis during Vespers. After Vespers, there was another group of vocations discussed. These were led by

Miss Eunice Duncan, a Church Secretary and Youth Director; Rev. Harry Goble, a Pastor; and Rev. Lewis Ludlum, an Associational Missionary.

Sunday morning, before Sunday School, Miss Ruth Williams directed the Young People's thinking towards Home Missions and told them how to enter Foreign Missions Service. Rev. Elvin Jones brought the morning message during the 11:00 o'clock Worship Service. After lunch, Dr. Thomas J. Turner, from Wake Forest College, led in a discussion of teaching as a Christian vocation.

Respectfully submitted,
Mrs. Harry A. Goble,
Acting Chairman of the Adult Comm.
of the Life Service Fellowship

Report of Associational Training Union Director
October 20, 1959

The ideal and standard Associational Training Union Report cannot be given, but the results of our efforts can be somewhat revealed in this report.

We must be grateful to God for inspiring the purpose and giving us the program of the Training Union. Thus, we should take the advantage of the training we can receive through the Training Union, to be better prepared to serve Christ, the Master of Training. We should realize and recognize that we are not qualified to serve Christ unless we have trained for the task. Christ trained His disciples for the work they were called to do, "to be fishers of men." We cannot expect to continue His work unless we train as did the first disciples of Christ. So, let us commit and dedicate ourselves to the program of training, as we have recommended to us through our State Training Union Department and the Training Union Board of the Southern Baptist Convention.

Some of the outstanding activities of our Associational Training Union for the past year have been: "M" Night with Rev. Nane Starnes as guest speaker and 1321 attending at the First Baptist Church of Winston-Salem. The Officers and Leaders Council held at the College Park Baptist Church with 32 Training Unions represented. Evangelistic and Youth Rallies with some 315 attending the meetings. Group meetings conducted during the month of March and in May our Associational Tournaments at the Becks Baptist Church with good participation and attendance. The following week our winners went to Asheboro to the First Baptist Church to participate in the regional tournaments. Miss Carolyn Ridgeway our representative won the Young People's Speaking Tournament. During the month of August we rejoiced in a wonderful Conference of Training Union workers at Camp Retreat. To climax the work and our program for the year the Church Officers and Workers Clinic was held at the North Winstan Baptist Church.

Respectfully submitted,
Jimmy D. Hinson, Director

To enlist and train capable workers in the Sunday School Program is one of the most challenging tasks for any individual. It is to this task that we wholly dedicate ourselves for the coming year as we propose the adoption of the theme *"Teaching Them All Things."*

To help us get the proper perspective, let us glance into the recent past at some of the things accomplished:

In our Association we have added the following Sunday Schools: *White Road, Westview,* and *Community* Baptist Churches.

Our eight Sunday School groups met individually to learn of the Sunday School's place in the Evangelistic Simultaneous Revivals.

In April, our groups participated in the Associational census. 58 churches reported a successful census.

Vacation Bible School reports indicate three churches as standard: Griffith, Pilot Mountain, and Union Grove. Southside, Antioch and Calvary report high grades.

Our conference at Camp Retreat in July was well attended and most encouraging.

Now, as we gaze into the future we would like to submit our ambitious aims:

1. To boost the total enrollment by 15%.
2. Enlist 30 churches to observe preparation week. . . . September 18-25, 1960.
3. To gain at least four new Sunday Schools for the Association.

These are but a few of the goals we hope for this year. May we ask that you join hands and hearts with us as we seek earnestly to make them a reality.

Respectfully submitted,
T. W. Harrell

Brotherhood Report

The active participation by men in the program of the church is one of the most encouraging signs of our day. There are more men engaged in working, giving, and going for World Missions than at any time in the history of the church. This is true, largely, because of the challenge which has been presented to them through Brotherhood and Royal Ambassador programs. Special seasons of prayer and offerings for missions have become church-wide rather than a program for a single organization. The laymen of churches are sharing in the pastors' keen interest for the salvation of the lost people in their own communities. The number of men who are willing and who possess the skill of witnessing to lost men is increasing every day. More men are capable of teaching and leading in the organizations of the church. Yet there are many men who are not enlisted. About 70 per cent of the men on our church rolls are still inactive. They are the Brotherhood's greatest challenge.

The Brotherhood work in our association, I am glad to report, is on the up grade. We had five new Brotherhoods organized this past year. Our goal for this year is an increase of 30% in new churches with Brotherhood. We began our work with a clinic at Calvary Baptist Church. Our guest speaker was Samuel Ho from Hong Kong, China, Student at Bowman Gray School of Medicine. Our January 12th meeting was at Southside Baptist Church. Our speaker for this meeting was Dr. Elmer Piper. The highlight of the year was the New Life Crusade, March 12, 13, 14, at Ardmore. Our speakers for these three nights were Mr. Keener Pharr, Minister of Education, First Baptist Church, Charlotte, Judge Walter E. Chrissman, Layman of Green Street Baptist Church, High Point, Dr. A. Leroy Parker, President of N. C. Baptist Convention, Greensboro, N. C. On July 24th we met at Camp Retreat with emphasis on Royal Ambassadors and Associational Mission work, with Jim Hayes and Rev. Ralph Cannon as speakers.

Our Royal Ambassador work continues to grow. Dr. Wilson Stewart and his committee have done a fine job with our boys. Someone in our convention recently said, "Our greatest hope in the next twenty years is the Royal Ambassador Organization. Give a million boys the Royal Ambassador program now and it will give us a million men who will know and promote the Baptist Program twenty years from now."

We urge the continuance of your prayers and your cooperation as we go forward in this work.

Respectfully submitted,
S. N. Gibson, President

Report of Woman's Missionary Union (1959)

For Woman's Missionary Union, this first year of the Jubilee Advance has been a very successful year in many respects. Since the emphasis for 1958-59 was on Christian Witnessing, Southern Union published a book by Dr. Floy Barnard entitled "Christian Witnessing." Many of our societies studied this book during the summer quarter in an effort to train members to do a more effective job of witnessing where they are.

We are thankful to report numerical gains in many phases of our work, in the W.M.S. particularly. In total membership of the W.M.S. there is an increase of 400 throughout the Association. The number of circles has been increased by 13. There were more mission study books taught this year and an increase in the number of subscriptions to "Royal Service." More organizations have participated in community missions and more individual members are tithing and giving through the Cooperative Program.

The number of youth leaders who have completed leadership courses during the year deserves our recognition here also. We have now in our association more than 40 YWA, GA, and Sunbeam Band counselors and leaders who have completed the leadership courses and received cards of accreditation. This training helps improve the quality of our work with the young people.

The task is ever larger, and the challenge calls us to greater devotion as we lift our eyes to the needs of the world and set higher goals for the coming year.

Respectfully submitted,
Mrs. W. Elvin Jones, President

Report on Christian Literature—1959

Perhaps at no time in history has there been available more reading matter for the public. Carelessly, most of such reading matter is labeled "Literature." The Christian Church has been, and is making a bid for the attention of the masses to its publications. The array is impressive and includes almost everything from so-called "Christian Comic strips" (shrouded in the name of Visual Aids) to the Holy Bible. But the questions to be asked about it are:

(1) How much of it is Christian?

(2) Is it worthy reading?

(3) Is it termed Christian literature because it propounds certain "pet" doctrines, or because it helps to lead the mind of the reader into higher and more noble concepts of God through Christ?

(4) Is it called Christian because it preaches a sermon, or because it is pure, honest, clean and good?

(5) Is it called "Christian" just because it is Baptist in flavor?

To a great extent, these questions are answered favorably in most of the literature published by our Convention. The line-up is impressive: Good books, quarterlies and other periodicals for study and training in the word of God, our own North Carolina Baptist papers; the Biblical Recorder and the Charity and Children; while we do not proclaim Southern Baptist literature to be perfect, it is safe to challenge anyone to prove that other materials (and used in many Baptist churches) surpasses the fine Sunday School, Training Union, Brotherhood, W.M.U. and other quarterlies and literature published by Southern Baptists for Southern Baptist churches. And I say this not just because it is Baptist literature, but because it is superior.

But what is your church doing about providing good Christian literature for the members? I challenge you to make every effort to do this.

Respectfully submitted,
James H. Pernell

Interracial Committee

Your Interracial Committee has functioned throughout the year as a part of the Forsyth Missionary Baptist Fellowship. The Fellowship is composed of the ten members of the interracial committee of the Pilot Mountain Baptist Association and ten members elected of the various sponsoring groups of Negro Baptists. Your chairman is serving as the president of the fellowship. Rev. G. C. Crawford, one of our fine Negro pastors, is the vice president. Rev. Julius A. Dudley continues to serve as dean and missionary of the fellowship. He is rendering a fine service in this field.

The big endeavor of the fellowship, aside from the regular work carried on week by week, is the annual Interracial Institute. We pioneered in this type of Institute in North Carolina. We feel that here is a fine opportunity for us to demonstrate a real Christian spirit and at the same time experience closer cooperation and understanding as we face our common task as Baptists.

We urge you to give your prayerful support to the work of your committee and the Forsyth Missionary Baptist Fellowship. Let us walk together in Christian love as we seek to do the will of God and lift up Christ as the Saviour and hope of the world.

Walter L. Warfford

Southern Baptist Annuity Board Report

The word "Relief" has been officially dropped from the name of this Southern Baptist Board, for it is primarily an Annuity Board and not a Relief Board. As more and more of our ministers and religious workers get into the Southern Baptist Protection Plan, the less need there will be for relief work.

The Board continues to grow financially and in the number participating in the plans offered. Total assets of the Board on June 30, 1959, were $67,755,781.82, but over sixty millions were reserved to pay annuities. An increasing number of ministers and other religious workers are entering the plans of the Annuity Board. Every minister of the Gospel should be in the Southern Baptist Protection Plan. Write to the Annuity Board in Dallas, Texas, for full details.

The Board is now urging all churches to participate and to pay the full amount for their pastors. This would be a Christian ministry in keeping with the compassionate Christ and His concern for the workmen in His churches.

Ronald E. Wall

POAU Report

The POAU is a national organization whose primary object is the maintenance of separation of church and state. This time-honored principle, guaranteed by the Constitution of the United States, has always had the vigorous support of Baptists. Some twelve years ago leaders of major denominations became alarmed over the fact that religious liberty in our nation was under assault. Out of their concern came this organization known as "Protestants and Other Americans United for the Separation of Church and State." The guiding principles of the organization are:

"1. The public schools, the basis and bulwark of American democracy.

2. The legal right of parochial schools, at private expense, as a mission of the church.

3. The First Amendment, the guarantee of the free church and free pulpit.

4. The legal concept of church-state separation, the only safeguard of religious peace.

5. The free conscience, the key to unlock spiritual power."

The Executive Director of this organization is Glenn L. Archer, with offices in Washington, D. C., who is offering vigorous leadership in keeping all our protestant churches alerted to the dangers of communism and clericalism. Such questions as the use of tax funds for churches and church-supported causes, the violation of the religious liberty of minorities, and the protection of democracy against the encroachment of democracy by groups that will deny that democracy once they have gained control, are the constant concern of this organization.

The service of this organization and its leaders have been invaluable and are today highly important and greatly needed. Therefore, we commend all who are responsible for the work that is being done and pledge our enthusiastic support. We urge our churches to be alert to the dangers involved in compromises with this fundamental principle. We declare it as our conviction that geuine religion does not need the stamp of state approval or the support of tax money by the government. Dr. Archer, speaking before the Southern Baptist Convention in Chicago, May 31, 1957, made the following statement with which we heartily agree:

"The religious life of our great Nation will wither and die if laws abridge free worship, if taxes replace the Biblical tithe, if church membership is by coercion, if freedoms are unilateral, if political power in religion supplants true spiritual power. The heart of our message is repentance and regeneration. Jesus died to save us from our sins. This is the object of our religious pursuits. This is the basis of our thoughts; the motive of our acts; the substance of our dreams; the assurance of our eternal life."

American Bible Society Report

THE EVERLASTING LIGHT was chosen this year by the American Bible Society as the theme for Universal Bible Week, which is December sixth to thirteenth.

During 1958 the American Bible Society—distributed at home and abroad a record total of 16,629,486 Scriptures, the circulation being in twenty languages. —examined manuscripts or revisions in 79 languages used in twenty countries. —published new translations or revisions in 18 languages, three of which had a scripture portion for the first time. —issued to the blind embossed volumes and Talking Book records. —assisted other Bible Societies in supplying Bibles to the Hungarians.

Here at home this year a list of foreign language Scriptures procurable through the Society was distributed widely to Christian groups on the nation's college campuses.

Report on Evangelism

Jesus' command to us is, "Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost: teaching them to observe all things whatsoever I have commanded you: and lo, I am with you alway, even unto the end of the world." Matthew 28:19-20. Here Jesus summed up God's purpose in the world and the objective toward which God's people must move in full dedication if they are to be in his will.

During the years 1959-1964, in the Jubilee Advance, Baptists of North America are making an effort to be obedient to the Great Commission by putting soul-winning in the foreground of their respective programs. In 1959 it appears that real progress has been made in this direction. Reports received in the office of Evangelism in Raleigh indicate that the Simultaneous Evangelistic Crusades over the State were the most fruitful ever. With one exception, every association in the State participated. Most of them did more praying, planning, and working to win all the people to a full committal to Christ than ever before. Figures in the Raleigh office show about 15,000 baptisms, 20,000 total additions, and that more than 2,000 young people offered their lives for full-time Christian vocations.

In the Pilot Mountain Association, reports on the Crusade reveal the following: *About 50% of our churches participated with good results.*

Report of the Resolutions Committee

We, the messengers of the churches of the Pilot Mountain Baptist Association at this time the 74th annual session do hereby take note of the retirement from the active pastorate of the Rev. T. C. Keaton. Since Brother Keaton has served among us so well for such a long period of time and because he is so well loved by the people of our churches we would like to dedicate the minutes of our Association to him.

Therefore, be it resolved:

That our clerk be instructed to include a picture of Brother Keaton and an appropriate resume of his ministry among us with proper wording to denote that our minutes for this year are dedicated to him and his ministry in the Pilot Mountain Baptist Association, who has served a total of 51 years in the Association.

Be it also resolved:

1. That our Committee on Order of Business, Ronald E. Wall, chairman, and our moderator, Elvin Jones, be commended for a job well done in our Association this year.
2. That we hereby express our sincere thanks and appreciation to Union Grove and Crestwood Churches for the very fine way in which we were entertained this year at our associational meeting.

Christian Higher Education

Report on Christian Education

Fifty years ago, Dr. George W. Truitt, serving as chairman of the Editorial and Educational Committee of the Southern Baptist Convention, made a report in which the following statement occurred: "The zeal that lasts, and grows, and triumphs is a zeal that is according to knowledge."

It is a common thing today to hear a speaker, or read an article written by a person who has plenty of zeal, but not according to knowledge.

With our seven Baptist Colleges geographically located throughout our state fairly close to all our Baptist young people, we have seven good reasons why our young people do not have to face their future without a Christian Education.

We would under score the word CHRISTIAN. It is our deepest conviction that to know and not to know God in Christ Jesus is life's greatest tragedy, and the wrong kind of knowledge is worse than ignorance!

As Baptists, we love our colleges too much not to take seriously the action of our Convention, when we adopted the report of the committee of 23 as it relates not only to the colleges, but to all other Baptist institutions and agencies. We did not vote the addition of new colleges at present, but to recognize the increasing demands upon the colleges we now have, which demand can be met only through growth in all respects.

Our Baptist colleges will continue to be faced with the competition of all other colleges in both the quality of their work and the growing costs of operation and expansion. Our college young people must be convinced that academically they are as good as the best, and that these Baptist colleges also provide for what present-day young people expect and demand in a college community.

As pastors, parents, and church leaders, we can take advantage of Father's Day emphasis on Christian Education, plus other mediums and courageously lead our people in meeting this great but not impossible challenge.

General Board Meeting

January 12, 1960, Mineral Springs Baptist Church.

Fifty-nine people attended this meeting representing thirty-one churches.

Elvin Jones, Moderator, Paul Reese, Clerk

The meeting was called to order by the Moderator and reports were called for. The reports were as follows:

Finance Committee: The Associational financial program is in good shape. The committee has decided to have some dinner meetings during the year to promote the budget for next year. Chairman, Manley Bennett

Capital Needs Fund: This report was given by the Treasurer, J. D. Allgood.

Mission's Committee: The great need in this area is more funds with which to help churches and missions. The Committee had its first meeting of the Associational year with twenty-seven present. The group has been divided into sub-committees in order to do a better job. The name of J. M. Johnson was added to this committee to represent group 6. Chairman, Ralph Cannon.

Interracial Report: The Interracial Conference coming up in the near future. Chairman, Walter Warfford.

Executive Committee: The committee made a report on what was being done to secure someone to take the associate missionaries place.

Personnel Committee: James Pernell, Manley Bennett, Mrs. Elvin Jones. Elvin Jones, Lewis Ludlum, exofficio.

The following recommendation was presented:

That the Association employ a full time associate missionary and a half time office secretary. The secretary to be employed immediately.

Motion made: That the Personnel Committee be given the privilege of securing this part time secretary immediately. (Approved). Chairman, Howard Beard.

Nominating Committee: Harold Craig recommended as B. T. U. Director.

Joe Merritt recommended as chairman on Nominating Committee. (Approved).

Mrs. Jack Noffsinger, Wilson Stewart, Henry Crouch, were also added to the Historical Committee to help plan our special program for next year.

Reports were made by the following: Sunday School, T. W. Harrell, Supt.; W. M. U., Mrs. Elvin Jones, Pres.; Brotherhood, S. N. Gibson, Pres.

Properties Committee made a brief report of work now in progress. James Pernell, Chairman.

Motion: That the Executive Committee be authorized to set a schedule for special emphasis meetings over the next two years. (Approved).

Suggested: Spring of 61, Regional Sunday School Clinic; Fall of 61, School of Missions; Spring of 62, Simultaneous Church Survey, February; Pastor Led Sunday School Enlargement Campaign, April; Fall of 62, Deacon's School.

Camp Committee: The Camp Committee asked that Board for permission to operate on a budget of $5,500.00 instead of $5,000.00. This would carry over a debt of $500.00.

A motion was approved as follows: That the Camp Committee be authorized to operate on the larger budget, which is $500.00 more than the approved amount for the camp.

Executive Committee Meeting January 28, 1960. Howard Beard, presiding

The following report was made by the **Personnel Committee** and the **Finance Committee:**

The idea of securing an Associate Missionary to work with the rural churches seems to be gaining ground in the Association. The associate missionary would work in all phases of the work with special emphasis on rural work. To meet this need, the **Finance Committee** presents the following budget:

Part time secretary, $27.50 per week. To work approximately 20 hours per week.

Associate Missionaries	Salary	$375.00	per month
	Car	50.00	per month
	Rent	60.00	per month
	Utilities	15.00	per month
	Total	$490.00	per month

The salary for the associate now in the budget $4,800.00

Paid out this year	$ 800.00
Balance	$4,000.00

A secretary and an associate missionary could be secured for the remaining part of this year well within the amount now in the budget. The idea was to secure an associate to go to work in June or July. If possible to have someone before the camp is to open. This report was approved by the Executive Committee.

Approved also was the joint Bible School Clinic with the Negro Baptist churches for April 20.

FALL 1961	Schools of Missions

2. **January 12, 1960** Committee enlarged as follows: Rev. Henry Crouch, Rev. Wilson Stewart, and Mrs. J. R. Noffsinger. (Moderator W. Elvin Jones and Missionary Lewis Ludlum, memmers ex-officio).

3. **January 18, 1960** Full Committee met and agreed that:
    (1) We would endeavor to present some type of dramatic presentation of the history of the Association—perhaps using the night session of the Annual Meeting, October 18.
    (2) Mrs. Allen and those delegated to work with her should endeavor to complete the first draft within the next few weeks so that suitable dramatic events can be chosen and written in dramatic form for portrayal.
    (3) We would begin now to enlist consultants and additional committee members with special interests and talents to serve with us. It was agreed that as the movement progresses many people will be enlisted to help. In the very brief period devoted to this the following people were mentioned:

        Dr. Henry Stroup, Mrs. Henry Crouch, Mrs. Timothy Pennell, Mr. and Mrs. Leon Lasley, Mr. Raymon Kyser, Grady Miller, M. A. Huggins, Irvin Grigg, Dale Steele, Mrs. Thomas W. Blackwell, Mrs. H. S. Stokes, and other descendants of Dr. H. A. Brown, Dr. Jack Noffsinger.
    (4) We possibly would endeavor to publish printed copies of the history for sale next year if sufficient interest is manifest.

General Board Meeting April 12, 1960 Mineral Springs

Elvin Jones, Moderator; Paul M. Reese, Clerk.

Written reports were presented by: Mrs. J. D. Lewis, Treasurer, Rev. J. D. Allgood

Rev. Ralph Cannon on the mission program.

A Camp Committee was approved as follows: J. M. Johnson, Wilson Stewart, Manley Bennett, Ralph Cannon. This committee was authorized to employ the camp personnel.

Elvin Jones, moderator was approved as chairman of the Executive Committee for the remaining part of this Associational year. This was necessary since the chairman had left the Association.

Manley Bennett used most of the time to discuss the proposed budget for the coming year.

The recommendation of the Finance Committee was accepted and the group voted to send the proposed budget to the Association for approval at the fall meeting.

The Board also approved the idea of some supper meetings to put before the pastor and churches the financial needs of the Association.

One such meeting was to be at the First Baptist Church and another at Quaker Gap.

Lewis Ludlum made a brief report.

Report of the Missions Committee

April 12, 1960

The Missions Committee has had 3 regular meetings and several executive committee meetings this year. The Missions Committee is divided into 6 groups. These subcommittees work in different parts of the Association. At the present time we are putting some emphasis on the development of new work in the northern part of our Association. Brother Mac Johnston is chairman of sub-committee number 6. The Missions Committee has given to Main Street Baptist Church, Kernersville (Oakhurst) $2,500 in all. The work there is moving on in a wonderful way since Pastor Manley Bennett has assumed the work. Also, the Missions Committee gave a check for $1,000 to Waughtown Baptist Church to help purchase a home in which to start a mission in Morningside Manor, a new housing development between Bowman Gray Stadium and Reynolds Park. There are supposed to be 450 new homes built in this section, and we are glad that Waughtown is cooperating in this new work.

It seems that our new churches, Beck's Chapel, White Road, Main Street Baptist (Oakhurst), Community, Westview, and Southside Mission, and our other churches, are making real progress. At the present time our treasury for new work is under the $500 mark. We certainly hope that we shall have offerings in the near future which will bring up this new work account. Several things of important interests are: expressions of appreciation for the $2,000 which was given by Konnoak Baptist Church, $500 which was given by Clemmons Baptist Church, and the $8,500 which was given by First Baptist Church for new work is really good news. Also our State Missions Board is putting $12,500 in new work and supplementing the pastors' salaries in our Association.

As we have been studying the new budget, the Missions Committee wholeheartedly endorsed the new budget, and we hope that it will be adopted in that it will enhance our Associational program and will also contribute to a larger amount for new churches.

Respectfully submitted,
Ralph L. Cannon, Chairman
Roy V. Young, Secretary

Ludlum be approved as a steering committee. The motion was seconded and passed. The steering committee then presented the following names for approval as officers of the Extension Center: Director, Rev. Elvin Jones; Secretary-Treasurer, Mrs. John Lewis; Assistant Secretary-Treasurer, Rev. J. D. Allgood. This report was approved.

A progress report from the personnel committee was also presented by Mr. Ludlum, and Rev. J. M. Johnson was elected to fill a vacancy on the committee.

Motion was made to adjourn, and Rev. T. C. Keaton led the benediction.

Approvad an application from Main Street Baptist Church of Kernersville for aid from the State Board on pastor's salary.

EXECUTIVE COMMITTEE MEETING
ON OCTOBER 5, 1960

This was a call meeting of the committee at 10:30 at the Associational office. Twelve members were present.

Elvin Jones, Moderator; Paul Reese, Clerk.

Lewis Ludlum presented the new calendar for the year and a few minor changes were made before the group approved it as the schedule the Association would follow for the year.

He also suggested that the Pastor's Conference be asked to consider changing their monthly meeting to Tuesday following the third Sunday of each month in order to avoid conflicts with other scheduled meetings. (Approved).

The Committee discussed the problem of the host church entertaining the Association. The Association has grown so large that neighboring churches have joined with the host church to provide the meal. This has been the custom now for a number of years. The question was brought up as to whether this should continue to be our practice. Or should we study the plan of some Associations of charging each person attending a set price for the meal, again should the Association aid financially with the meal?

A motion was made, seconded and approved that the host churches provide lunch with the assistance of their neighboring churches as we have been doing. Churches having the Association to be informed of this action by Lewis Ludlum.

A brief discussion followed regarding calling an associate Associational missionary. The committee heard a report that the man under consideration had had quite a while to consider the work. That he seemed to want more time to consider. He might be able to give an answer by the first of the year. It was also brought out that a question as to where he should live had come up. The personnel committee had suggested that he live in Walnut Cove to be near our rural churches. He had suggested Rural Hall. A motion approved that the committee write the man now under consideration for an answer within the near future and suggest that it was still the plan to have him live at Walnut Cove.

It was announced that Mrs. Ted Key had been secured as office secretary and would begin work next week.

The Associational Brotherhood president presented the information now in print on the proposed R. A. State Camp. He raised the question as to whether the Executive Committee would approve their plans to raise around five thousand dollars in the Association for this project. This to be done on a contact basis and by selling men an acre or more of the land. (Each man paying for an acre). A motion was made and approved that we look with favor on this project if the General Board of the State Convention approved it.

Report of Camp Committee—Summer, 1960

"But Jesus said, Suffer little children, and forbid them not, to come unto me: for of such is the Kingdom of heaven." Matt. 19:14.

Your Camp Committee is happy to report progress in every phase of our camping program for the summer of 1960.

We were very fortunate to have Mr. Wilson Norwood as director of the camping program for the summer.

His staff included Mr. Burt Potter, Mr. Graydon Huddspath, Miss Barbara Blackman, Mrs. John Huff, Miss Ruth Fulcher and Mr. Olive Dosher, and Mr. G. L. Casey.

In addition to a very fine program of R. A. and G. A. work, we were fortunate to have as visiting Missionaries Mrs. J. T. McGee, Dr. Charles Leonard, Miss Virginia Highfill, Rev. Grady Burgess, Mr. and Mrs. W. R. Grigg, Mrs. Minnell Craves, Mr. Manly Mullen, Mr. Vernon Sparrow, Rev. Harry Wood and Rev. Luther Matthews. These represented all phases of our mission work at home and abroad.

Eight of our local pastors served as camp pastor during the season.

Two hundred and fifty-seven boys and girls of junior and intermediate age attended camp. These came from forty of our churches. Twelve of these made public their profession of faith in Christ. One hundred and eighteen Sunbeams with their leaders attended day camp. Making a total of three hundred and seventy-five campers for the season.

Five of our Associational organizations used the camp for weekend conferences.

Several of our churches used the camp for group meetings.

Many physical improvements of camp property were made in time for the camping season. Improved roads, a parking lot, picnic areas and a three room cabin for missionaries, pastors and staff were all added assets for the summer season.

Your committee believes that your camp and camp program affords an opportunity for greater Kingdom work in this Association and thereby deserves both the Spiritual and Financial support of all of our churches.

Its ministry will be measured alone by our vision.

Respectfully submitted,
J. M. Johnson, Chairman

Working with National Baptists

Our Southern Baptist Home Mission Board has developed a strong program of work with National Baptists. It is a program of cooperation within the area of the local church, the district Association and the State Conventions, as well as schools and colleges and other training centers. The program also includes evangelism, stewardship, Christian education, Vacation Bible Schools, Summer camps, Good Will Centers, and other areas of work.

Dr. Guy Bellamy, secretary of this department of work says: "The purpose of this co-operative work with National Baptists is to help strengthen their churches at the local level and to cooperate with them in their desire to develop leadership for their churches, schools and denomination and to share with them in world missions."

In the local area there are 55 National Baptist Churches with approximately 33,000 members. Here in our area is the largest single opportunity in North Carolina to further develop this program of cooperation and good will. The Forsyth Baptist Missionary Fellowship provides the opportunity for this program of work, and works in cooperation with the Home Mission Board. In fact the Home Mission Board pays the salary of the Dean of the fellowship.

For the past three years the Forsyth Baptist Missionary Fellowlowship has sponsored an Interracial Institute. Excellent programs have been arranged. Another Institute is planned for February of this year. In previous years the attendance has not been up to expectations. We hope you will give the institute your hearty support this year.

Brother Julius A. Dudley is doing a fine job as Dean of the Forsyth Baptist Missionary Fellowship. Let's continue to give him our wholehearted support and cooperation. Let's move forward together as Christians and as Baptists. In these days of tension and strife, let us demonstrate in our personal and denominational life the spirit of cooperation and good will among all Baptists of this area; let us seek the mind of Christ for these times.

Respectfully submitted,
Walter L. Warfford

Life Service Fellowship

The Life Service Fellowship of the Pilot Mountain Baptist Association is composed of those young people in our churches who have dedicated their lives to church-related vocations or who manifest a special interest along these lines. It has as its purposes to give opportunity for fellowship with other young people in our Association who have similar interests; to give instruction as to the fields of service open today; to give guidance in educational plans for their chosen fields; and to give encouragement in their present service and preparation.

Two activities were promoted during this year. The first was a dinner party during the Christmas season held at the Ardmore Church which was attended by approximately forty young people and members of the adult committee. After a period of fun and fellowship, Rev. David Boaz spoke and showed slides of a recent evangelistic campaign in Cuba in which he had participated.

The second event was a weekend retreat at Camp Retreat on August 6-7 with approximately fifty registered. The theme of the program was "Our World. . . . My Place?" and included discussions on our denominational program, church related vocations, and the place of young people in the world. At this meeting, the Young People's committee of the Fellowship was elected as follows:

Chairman	Mr. Graydon Hudspeth
First Vice Chairman	Mr. Jackie Heath
Second Vice Chairman	Mr. Leroy Spinks
Secretary-Treasurer	Miss Betty Dean
Publicity Chairman	Mr. Carroll Stegall

The Life Service Fellowship Committee would encourage our churches to give emphasis to "the calling out of the called" in order to fill the many places of service open to the young people today and to help them receive the guidance and encouragement that is available through the Life Service Fellowship. We request that pastors or other church leaders make available to the Associational office or the committee the names of young people who should become a part of this group.

J. Harold Craig

Recognition of New Churches and Missions

Westview, Community, White Road, Union Cross received into full fellowship, having been under watchcare one year.

Advance, received on letter from South Yadkin Association.

Peace Haven, organized into a church October 2, 1960, was received under watchcare for one year.

16 awards were presented to churches and missions under the 30,000 Movement.

Training Union

"Training in Church Membership" has been our theme in Training Union during this year as we have "studied to show ourselves approved unto God" in every area of Christian responsibility.

The "M" Night program was held with the First Baptist Church, Winston-Salem with 1,031 in attendance. Our Association was fourth in attendance among the Associations in North Carolina. Mr. Harvey T. Gibson, Director of Administration, Training Union Department, Baptist Sunday School Board, was the speaker.

At the close of the first quarter, we had the misfortune of losing our director, Rev. Jimmy Hinson, to another church in another Association. We commend the fine work he did in the previous year and during the first quarter.

Quarterly executive committee meetings were held and the officers and leaders conferences were held in February, May and August. There was a slight increase in attendance at these meetings due to the Associational Night Plan used this year, but much improvement is still needed in this area of our work. The August conference was held at Camp Retreat with Mr. James P. Morgan, State Training Union Secretary, as speaker. Approximately 100 attended this meeting.

The Tournaments were held in April with a small representation in each feature. Mrs. Richard Jones of the Ardmore Church, was a regional winner in the Adult Scripture Reading Tournament.

Another major event for the Training Union during this year will be the Central Training School to be held February 20-23, 1961. Miss Doris Morgan and Miss Katy Ruth Grayson of the State Training Union Department, along with a number of local people, will compose the faculty.

We begin this year with a full corps of capable leaders. We urge your cooperation and covet your prayers that this will be one of the best years, thus far, for Training Union work in the Pilot Mountain Baptist Association.

Associational Sunday School Superintendent's Report—Oct., 1960

In order to lead the churches in the Pilot Mountain Baptist Association to strengthen the Sunday School Bible teaching program in the Sunday Schools and the churches, we placed emphasis on Evangelism so that we might reach both the church member and lost people.

Last year, there were three Group Schools held in the Association, working toward the theme: TEACHING THEM ALL THINGS. In the two quarterly meetings, one in February and one in April, the emphasis was on Evangelism.

Over a hundred teachers and officers of the Association attended a Sunday School Conference at Camp Retreat in July for a supper-program. The emphasis at this meeting was on TEACHING AND TRAINING.

A goodly number of churches in the Association observed PREPARATION WEEK this year and from all reports, much has been gained therefrom. This is a challenge to every church in the Association, to plan and to have at least one study course book and to prepare for the coming year in every organization for a new year. Preparation and plans will not only strengthen the church organization, but will train leaders to participate in their church. This is the advantage of a teaching and training program. Each church is then able to recognize and accept the challenge: to enlarge at least one class or department during a new year.

In the Region Sunday School Clinic meeting in August, at Baptist Hospital, with a full slate of officers, the Rev. Neil J. Armstrong projected the program OUTREACH for THE UNREACHED. In order to accomplish this we will need to enlist 81 churches to observe January, 1961 Bible Study Week; have 50 churches observe PREPARATION WEEK and seek to enlist 20 churches in OPERATION HOME FOLKS.

A goal was set for 120 new classes and 60 new departments next year. We plan to help sponsor ten new Sunday Schools this year. A goal for Standard Sunday Schools is ten. V. B. S., 3 churches reported standard, Union Grove, Mineral Springs, Forest Hill.

With the fine leadership and co-operation of the churches in the Association, we feel that this will be one of the greatest years for Christ and His church.

Respectfully submitted,
T. W. Harrell

Report on Brotherhood

We have seen an increase of interest in our Associational Brotherhood work this past year. Our attendance has grown to an all time high. We have built our program around the four major activities of the Brotherhood. They are: Royal Ambassadors, Stewardship, Evangelism, and Missions.

The need for a Brotherhood organization is greater now than ever before. This is needed because of the opportunity which it affords the pastor to project the program of the church in a way which will tend to shape the attitude of men in a favorable direction.

Through our Associational Brotherhood organization we hope to open new avenues of communication of the denominational program to the laymen in the churches. It is our firm conviction that when men are better informed they will participate more enthusiastically in our great program of World Missions.

Now that the organizational structure has changed, there is a great need for Brotherhoods that make adequate provision for Royal Ambassadors.

The future of the Royal Ambassador program of North Carolina is dependent largely upon the willingness of the men in our churches to give of their time, talents and possessions to a vigorous program of missionary education for boys. In a real sense the future of our churches will be influenced greatly by that which we do for our boys today. The Royal Ambassador program has a great influence on World Missions. These young men will become the laymen who will provide the necessary tithes and offerings to sponsor World Missions in the future. The increased need of well trained young men who are willing to give their lives on the mission fields increases the importance of this program. North Carolina Baptists are making a contribution to World Missions by supporting the program of Brotherhood and Royal Ambassadors.

Our challenge is great and will call for greater devotion if we are to reach our goals for the coming year.

Respectfully submitted,
S. N. Gibson, President

Report of Woman's Missionary Union

The past year has been one in which God has blessed the Pilot Mountain Woman's Missionary Union in many ways. As new churches and missions have been organized, new missionary societies and unions have come into existence. Existing societies have grown in enthusiasm and the quality of work has improved. Nine societies qualified for recognition on the Aims for Advancement, two of which applied for honor rating.

In keeping with the Jubilee goals special emphasis has been given to leadership training. The climax came in September when Mrs. W. K. McGee taught the W. M. S. Leadership Course at the First Baptist Church of Winston-Salem for four nights. These classes were well attended by representative groups from all over the Association.

During the year the B. W. C. Federation ceased to exist and operate as a separate unit of the Woman's Missionary Union. All Baptist women from all walks of life are included in Woman's Missionary Society. Thus for the first time the annual Associational meeting convened at 4:30 in the afternoon, and ran until 9:00 p.m. At this meeting Mrs. C. E. Hartgrove was elected President. The by-laws were changed to allow the new officers to be installed in October, after a period of study and training.

May we continue to labor together with enlarged vision and deeper dedication.

Respectfully submitted,
Mrs. W. Elvin Jones, President WMU

A motion presented by Mrs. T. L. Williams, and adopted, that printed programs in the hands of the members be the order of business for the meeting.

The following committees were appointed by Mrs. Jones during the business session:

Time and Place: Mrs. I. G. Ross, Walnut Cove, Chairman; Mrs. R. M. Mann, Southside; Mrs. C. T. McGee, King.

Announcement was made that the postponed YWA Banquet would be held on May 3, Magnolia Room, Wake Forest College.

Mrs. W. M. Thackerm, Prayer Chairman of the Knollwood W. M. U. conducted devotionals, using topic "Be Ye Therefore Perfect" with Scripture from Matt. 5:48. This was followed by Hymn, "More Like the Master."

Mrs. George Hayes, Jr., missionary from Tokyo, Japan, spoke on the topic, "Look on the Fields." She stated that most of the Easter and Christmas decorations that are used in the United States are made by the Japanese, for very little money, and not knowing our Lord for whom we honor at these two dates. Also there is a new interest in learning among the Japanese. Among the Baptists much re-building has had to be done since World War Two. We now have 75 churches all with Native Pastors, with missionary personnel working with them. Less than ½ of 1% of the Japanese are Christian. She urged that we pray for Japan, for the Missionaries and that more missionaries will be sent to help with this work.

Hymn, "Jesus Saves."

A skit was presented by the Executive Committee of the WMU of the Pilot Mountain Association under the topic, "Doers of the Word." This skit presented the reports of the various Chairmen and officers of the Association.

Young Women's Auxiliary—Honor at Ardmore

College Park and Union Hill WMS received 350 points each in Mission Study.

Rev. Lewis Ludlum, Associational Missionary, spoke on

Camp Retreat, telling something of the plans for the Summer Assemblies, and distributed pamphlets on the Camp with registration blanks and Health Blanks on them.

Announcement was made of the G. A. overnight rally to be held on May 6 and 7 at Beck's Church for both Junior and Intermediate girls. A good program is planned for this meeting.

Rev. Ludlum pronounced the benediction and also asked the blessing on the supper which followed the first part of the meeting.

Night Session

The night Session opened with the singing of "Send the Light," followed with prayer by Mr. Wilson Norwood, Camp Director, who also made an appeal for counselors for Camp for this summer. The annual Offering was taken, this money to be used toward expenses of the year's work.

Mrs. Harry D. Wood, Regional President made special announcement concerning Assembly dates and Statewide Camp dates, urging support of both these projects.

Special music was presented by Mrs. Jessie Motsinger of the Waughtown Church, accompanied by Mrs. L. D. Masten, organist.

Mrs. Harry Wood brought a most inspiring message on the topic, "Teach Them." She asked the question "Where does teaching begin" and stated that if God's holy Word is hid in the hearts of both young and old they will be a better person all their life. Anyone can be a community missionary, and Christians should never be ashamed to witness wherever they are, giving cheerfully of ourselves and our material possessions.

Peter's Creek again received the Attendance Banner having 22 of their 28 members present. There were 35 churches represented in today's meeting, with 248 representatives registered.

A recommendation from the Executive Committee to this meeting was read by the Secretary as follows: Executive Committee recommends that officers and Chairmen elected at the Annual Meeting go into office on October 1, following the Annual Meeting, instead of taking office immediately following the Annual Meeting. The time between the Annual Meeting and October 1, to serve as a training period for the newly elected officers. Following discussion, motion was made by Mrs. W. W. Wagner, seconded by Mrs. C. T. McGee that this be accepted, effective with this year's officers instead of waiting until Fall of 1961 as suggested by the Executive Committee. Accepted unanimously.

The following note of appreciation was read by Miss Melba Hicks, Chairman of the Committee:

First: **Be it Resolved:** That we express to the Waughtown Baptist Church our sincere appreciation for the privilege of meeting here. That we thank in a very heart-felt way all the ladies of the church for being such gracious hostesses. That we especially express our appreciation to the Pastor, Dr. Church, for his presence here and helpful participation in our meeting.

Second: **Be it Resolved:** That we acknowledge with gratitude the work of the Program Committee, and other Committees who used much forethought and discretion in their planning for our needs, and who brought to our meeting those who would strengthen our thinking and service. To these speakers we are deeply grateful for the sacrifices made in coming, and for the messages that will give re-newed inspiration and direction to our endeavors.

Third: **Be it Resolved:** That we recognize with sincere appreciation, the wise guidance and untiring efforts of our Associational Officers, and that to Mrs. Jones especially, we express our genuine gratitude.

Fourth: **Be it Resolved:** That we pledge anew ourselves, our energies, and our loyalties to the challenging and ever-broadening task that is ours.

Fifth: **Be it Resolved:** That we express our appreciation to Waughtown, Southside, Sprague Street, Glenn View, Union Cross and Oaklawn Baptist Churches for the evening meal; to Waughtown for furnishing the music, and to the Pages, who so ably assisted throughout the program.

The Time and Place Committee, Mrs. I. G. Ross, Chairman, stated the time for next year's meeting would be according to the State Office, and the place would be announced later.

Report on the Biblical Recorder and Other Baptist Literature

This has been a year of change and transition for the *Biblical Recorder*, your Baptist State paper since 1833.

On January 1, J. Marse Grant became editor, succeeding Dr. L. L. Carpenter who retired after 17 years in the editor's chair. Editor Grant came to the *Recorder* after 10 years as editor of *Charity and Children*.

Since the first of the year, a number of changes have been made in the *Recorder*, including larger type and full-page pictures on the cover. In a study made by a nationally-known professor of journalism, the *Recorder* was rated among the top three state papers in the Southern Baptist Convention. The *Recorder* staff will not be satisfied until it rates No. 1 among the 27 state papers.

For the price of a 3¢ or 4¢ postage stamp, the *Recorder* can come into your home each week. For only $150 a year, or 3¢ week, the *Recorder* can be sent to every family in your church. For a

4¢ stamp each week, or $2.00 a year, you can reveive the paper in the Club Plan of four or more subscribers in the same church.

In this crucial year in American history, the following quotation is so pertinent as we think of the importance of the *Biblical Recorder* and other Baptist publications: "If religious literature is not widely circulated among the masses in this country, I do not know what is to become of us as a nation. If truth be not diffused, error will be; if God and His Word are not received, the devil and his works will gain the ascendancy; if the evangelical volume does not reach every hamlet, the pages of a corrupt and licentious literature will; if the power of the Gospel is not felt through the length and breadth of our land, anarchy and misrule, degradation and misery, corruption and darkness will reign."

Respectfully submitted,
J. Marse Grant, Ed. and Business Mgr.

Report on POAU

Protestants and other Americans united for the separation of Church and State calls attention to a principle that is of fundamental importance to a free church in a free society. Therefore we subscribe to the objective of this organization. Realizing that liberty can easily be lost and that religion is the point at which the most subtle attack may come we remind ourselves and our fellow citizens of the need for "eternal vigilance."

We re-affirm our faith in the dignity, responsibility and rights of every man and all groups of men. We ask no favors for ourselves and are not willing to have our Government grant special privileges to any others. We believe the equality expressed in our national constitution is both positive and negative. Since no one is good enough to have unconditioned power over others we believe that the rights of no one should be violated by religion or for religion. While advantage should be given to no one because of his religion, neither should his religious beliefs hinder his freedom and rights.

We believe strongly in equal educational opportunity for all our youth and believe it to be the duty of the state to guarantee and provide it. At the same time we deny that any church has a right to ask for tax money which comes from all the people to support its own education and mission efforts.

We believe that a basic tenet of democracy is the protection of the rights of minorities. Any effort by any group to limit the freedom of conscience for any religious belief is un-American and contrary to the best in Christianity.

We do not believe that the Christian faith needs the stamp of approval of the state and to ask for it by the government through the appointment of an ambassador or any other official action is a violation of the constitution and the religious convictions so important in the life of this country.

We believe it would be against the best interest of all our people if ever our laws should abridge free worship, if church membership were not solely by choice and individual belief, and if our churches try to substitute the power of the state or organization for true spiritual power.

In supporting the POAU we join with Christians of many denominations in seeking to keep important principles constantly before the people of America and seek to strengthen all that makes for a free America and to oppose all that would weaken the true witness of the church or try to establish it under any guidance other than the Spirit of God.

J. Glenn Blackburn

Annuity Board Report

The Southern Baptist Convention has entrusted the Annuity Board with the responsibility of caring for our pastors and their families in the days of need and anxiety. This program of protection is called The Southern Baptist Protective Plan.

The Southern Baptist Protective Plan provides financial help in the time of death, disability, and retirement. The Board is there to serve in time of sorrow, if the church is in the Protection Plan. In case of the pastors death, his widow would receive an income from the Board as long as she lived or until she remarried. The Board is there to serve in time of sickness, if the church is in the retirement plan. In case of disability, the pastor would receive a monthly check from the Board as long as he was disabled. The Board is there to serve at retirement, if the church is in the retirement plan. At age 65, the pastor can receive his regular annuity as long as he lives. He can not outlive this protection. A church can have all of this protection for the pastor if the church is in the Southern Baptist Protection Plan.

We urge all churches to contribute to the work of the Annuity Board. The cost to the church is only 10% of the pastor's salary. For instance: $400.00 a year is as much as this program will cost any church who is paying their pastor $4,000.00 a year salary. If all our churches contribute, then all our pastors will be protected and all of our churches carrying out the command of our Lord.

We also suggest that one of our monthly Associational Meetings or Brotherhood Meetings be given to the discussion of this phase of our denominational work.

Respectfully submitted,
Dr. Avery M. Church

Miscellaneous Business

Report of Baptist Children's Homes

The Baptist Children's Homes of North Carolina, Incorporated, is a multiple service agency providing Christian love and nurture for more than 800 deserving boys and girls annually.

The three homes are: Mills Home at Thomasville with 311 children, Kennedy Home at Kinston with 165, and Odum Home at Pembroke with 24 children.

There are 160 children in Foster Homes and 40 others who are assisted by Mother's Aid. Case work supervision is afforded 30 college students annually.

Children attend public school and participate in all school activities. Opportunities for Christian commitment and spiritual growth are afforded on the campuses, in the cottages, and through the churches.

Relatives, pastors, social service agencies, and interested friends make inquiries about admission of children in need of care. When applications are received, well trained case workers make a thorough study of each situation to determine the need and the best possible plan of care for the child.

The Social Service Department of the Children's Homes affords case work services throughout the state. Individuals, families, pastors, and churches are entitled to this help upon request.

The Baptist Child Care Program is supported through the Cooperative Program 31.5 per cent, Thanksgiving Offerings 31.1 per cent, Once-A-Month Offerings 21.9 per cent, Special Gifts and Endowment 15.5 per cent.

John E. Roberts became Editor of *Charity and Children,* June 1, 1960. We invision, under his editorship, this paper making an increasing contribution to the total life of our Baptist people.

Report on Baptist Homes for Aging

God's gift to the Homes for the Aging during the past nine years has been James M. Hayes, Sr. No man could have worked harder, or accomplished more, than this dedicated man of God. On July 1, he relinquished the heavy and challenging responsibilities of the office of general superintendent to his successor, William A. Poole.

The new superintendent is diligently at work and is finding a solid foundation on which to build and expand our ministry to the aging in our midst.

Great blessings are in store for us in this tenth year of our Homes for the Aging. The new Infirmary Annex, constructed at a cost of $193,000, and with 28 new rooms, will be in use by September 1. In addition to these rooms, there is a nurse's station, lounge and rest room, a solarium, a room with an autoclave for the sterilization of instruments, three baths, a laundry room, and a utility room. It is hoped that the construction of the proposed new Hamilton Home can be started by late summer, with facilities for around 30 additional residents. Our hats are off to all who have given so liberally and worked so tirelessly in bringing this fourth Home to fulfillment!

At the present, there are sixty applicants on the waiting list, and new inquiries and applications pouring in daily. We now have a total of 106 residents in our three Homes—Resthaven, 20; Albemarle, 34; Headquarters, 52. Even with our new facilities, it is not unrealistic to say that we could fill rooms up to 500 in the next two years. We must attempt great things for God and expect great things from God as we plan for the future in our ministry to the ever-growing number of the aging who need the loving care of North Carolina Baptists.

We shall welcome a visit to the Homes from our fellow Baptists at any time and stand ready at all times to render the service that God has called us to render to the aging.

Report on North Carolina Baptist Hospital

The Ministry of our Baptist Hospital touches every area of our state. Last year it served more than 17,000 bed patients, with 150,000 visits being made to the clinics and offices. They came for examinations, medical treatment, skilled surgery, and spiritual guidance. Many of our homes, most of our churches, and almost all of our communities have been served by this ministry of healing. It touches the family life of about a quarter of a million of our people each year.

Sickness is no respector of persons or pocket books. It strikes the rich and poor alike—the widow, the orphan, the aged. There are times when they need such specialized care as that available at our Baptist Hospital. The Mother's Day Fund provides money with which our Hospital gives assistance to those who cannot pay the full cost of their care. Our Hospital almost doubles our gifts with matching funds from welfare agencies and other gifts. In addition to this, the medical staff gives its services without charge to all service patients, except for available insurance payments.

Probably we should ask ourselves if we as Christians should provide such a ministry for our needy, sick neighbors. Jesus and the

New Testament writers give us the answer. But do we really want such a ministry? It cannot be provided except at great cost. Our Hospital receives 3¾% of our Co-operative Program funds for payments on the buildings, purchase of expensive equipment, such as heart-lung machines, and for the Department of Pastoral Care. Our Mother's Day Fund provides the money to help pay the hospital bills of needy, sick persons. The amount of this fund determines for the most part the amount of help our Hospital can give.

The Mother's Day Offerings from the churches of the Association amounted to $9,956.34 last year. To this date this year they amount to $13,604.04, a fine increase. But we would like to call attention to the fact that almost all of this increase came from about eight churches which organized, appointed individuals to be responsible for getting it before every department, placing the work of the Hospital before their people, and laying the needs upon their hearts.

It is only by some plan of this kind that we can inform our people of the importance of the work of our Baptist Hospital and of the wonderful opportunity at our door. If we will do this in every church, our people have demonstrated that they are appreciative of the work and will provide the support which is necessary if our Hospital is to continue to provide these free services in this measure.

Ruben H. Graham
Glenn E. Swain, Representatives

Report on Missions Committee

Last year was a good year for the Missions Committee of the Pilot Mountain Association. We had an average of 20 men to attend the meetings out of the 45 members on the committee. We have worked with a number of churches and missions during the last year. One of the biggest challenges was to help the Oakhurst Baptist Church of Kernersville to relocate. They were able to purchase the building and property which was vacated by the First Baptist Church of Kernersville. This was a cooperative effort between the First Church, the Association, and the State Mission Board and several local churches. . . . Today the Main Street Baptist Church of Kernersville has a full program where the First Baptist Church used to be.

Since last year much work has been done to complete the School of Missions for the Pilot Mountain Association for November 19-24, 1960. We have engaged 45 missionaries to help us in the the School of Missions. We are hoping that every church in the Association will participate in the School of Missions. We suggest that the W. M. U. teach a Missions book each night and then the Missionary would speak to the church after the book had been studied for 45 minutes.

The cost of the school of missions will be about 1/3 as much as a revival would cost the average church. The church will provide transportation, room, and board for the Mission. If your church can participate in the School of Missions let Mr. Ludlum know at once so that the plans can be completed. Remember this is a cooperative effort of the local church, the Association, the Baptist State Convention, the Home Mission board, and the Foreign Missions board.

Respectfully submitted,
Ralph L. Cannon, Missions Comm.

Report on American Bible Society

The Bible is "The Book for everyone." This is more than a slogan. It is the deep conviction of the American Bible Society and all who recognize their stewardship of the Word of God. If the people of the world are to know Jesus Christ, the one hope of men and nations, they must have the Bible in their own language, because it is God's word that speaks to the heart as no other language can speak. But! in most countries, people cannot afford even the cost of printing Scriptures.

The Bible is the essential tool of missions and evangelism. The missionary uses it in all his work. The Bible itself is a missionary. It goes where human missionaries cannot go, it stays on after he must leave and keeps on speaking to a person's heart.

The American Bible Society is an active partner of Southern Baptist missions at home and abroad. I have experienced direct help from the Society, myself. For 18 months it was my privilege to work with the home mission board in the Nevada Baptist Association. My wife and I were able to place in the home of those people who could not afford Bibles, very nice bound volumes. In some cases we had the privilege to give a Bible to adults and children who had never owned one. The Society replenished our supply when we needed them.

In 1959 the Bible Society donated more than a million Scripture volumes for distribution by our chaplains in the armed forces. The Society in 1959 supplied Braille Bibles and Talking Book records for our blind friends. The Bible in part is in 1151 languages, the full Bible in 219, and a Testament in 271, and the Gospels or other books in 661 languages. In 1959 the American Bible Society distributed more than 17½ million Scripture volumes.

Last year all the Bible Societies of the world, together, distributed over 27 million volumes of Scriptures. But, this is less than the number of people who learn to read each year.

Many people now wait around the world for the Bible. They are dependent upon a privileged people, such as we, to send them God's word. Every Southern Baptist Church should support the American Bible Society in a systematic way.

Millions around the world are asking, "How Long Must We Wait?"

Report on Evangelism

There never was a time when the Gospel of Jesus Christ was not urgent, but many Christians have been slow to sense it. If circumstances can shock us out of complacency, then every Christian should be alerted today to the urgency of evangelism in this Atomic Age.

Southern Baptists have been blessed by God as few people have been blessed in all Christian history. However, along with these blessings there are inescapable responsibilities. We are Christians and we must share with those who sit in darkness. In his message before the Southern Baptist Convention meeting in Miami Beach, Florida, Billy Graham said, "America is the world's greatest mission field." If this is true, and no doubt it is, and if Southern Baptists are the leading Evangelical denomination in America, we must match this hour with total dedication to evangelism. Recent reports from our denominational offices of a drop off in baptisms from 20 to 25% in 1959 should awake us, and challenge us to our best in this matter of soul-winning.

Therefore we recommend that every church plan and promote personal visitation and personal witnessing with a purpose to win the lost to Christ. That every church have one or more revivals in 1961.

That we plan and support an evangelistic clinic on February 7, 1961.

That we have a Simultaneous Evangelistic Crusade in the spring of 1962.

That we look toward joining in the Jubilee revival in 1964. When all Baptists join in this special effort, the date for this in our part of the state is March 29-April 12.

We hold the word of life in our hands. What will we do with it?

Report of Resolutions Committee—Oct. 19, 1960

The Resolutions Committee of the Pilot Mountain Baptist Association recommends that we, the messengers and visitors to the seventy-fifth annual meeting of the Association, express:

First, our profound gratitude to God for His Blessings upon us through the cooperative spirit of our churches in the task of taking the ministry of Christ to every individual in the Christian community.

Second, our sincere appreciation to the ministers and members of Knollwood Baptist Church and the churches helping; Ardmore Hawthorne, Hanes, and South Fork, First Baptist Church Kernersville; helping, Oak Ridge, Goodwill, Colfax, Main Street and Union Grove, for their gracious entertainment of messengers and guests at the sessions of the Association.

Third, our appreciation to the Program Committee for arranging the informative and inspiring program, and to those who have participated in it, particularly to the visiting speakers who have come to us from beyond our Association and have brought us helpful messages.

Fourth, that we express our gratitude to our retiring Moderator, Reverend W. Elvin Jones and to Reverend J. D. Allgood, our treasurer, for their faithful and effective service to the Association during the past two years and that we commend our new officers to you as they lead us through another year filled with new responsibilities and opportunities for effective service.

Fifth, Whereas, the local press has given time and effort in the reporting of this Association, and therefore have rendered a service that cannot be measured, therefore be it resolved that we, the members of the Pilot Mountain Association, to express to Mr. Lloyd Presler and the local press our deep appreciation for these services which have done so much to advance the cause of religion in our community.

Sixth, That we call upon all the churches in this Association and their members to rededicate themselves to the work of the ministry of the Gospel of Jesus Christ our Lord during 1961, to the end that God may be glorified through our continued service together.
